*Port-HIGHLIGHT*

**JUNEAU, ALASKA**

Fly high above the Alaskan wilderness in a helicopter and then cruise to Taku Glacier and walk across its ancient frozen surface. Few outdoor adventures offer such diverse opportunities and spectacular panoramic views. Moments after boarding the helicopter, you will soar above the Tongass National Forest, America's largest national forest. You will pass over the Juneau Ice Field, Gastineau Channel and the Taku River on the way to Taku Point, where you will touch down. Don't worry about the weight of the helicopter on the ice—the glacier is thousands of feet thick.

*Majestic Vistas & Wildlife*
