Luxurious holidays should be about exploring, unwinding and indulging. With Scenic, truly all-inclusive luxury means you can place your wallet somewhere safe and relax, leaving it all to us.

Before you choose a river cruise company, we recommend doing some research on the ships, features and inclusions:

Does the ship have a choice of dining venues?

Are all my meals included on board and during shore excursions?

Are all my drinks included all day, every day or just during lunch and dinner?

Do I have a choice of which wine, beer or spirits I drink, or is it house wine only?

Are cocktails included?

Is my mini-bar and in-suite dining included?

Do all suite types have included butler service?

Are my transfers included to and from the ship?

Are all tipping and gratuities included?

Are all shore excursions included with nothing to pay once on board?

Are there a range of touring options to choose from each day based on my interests and desired activity levels?

Are there options for self-guided touring and are e-bikes included at no charge?

By choosing Scenic, you'll enjoy a truly all-inclusive river cruise in a class of its own.

Scenic

Life on the river

If you are dreaming of experiencing a river cruise, be prepared to fall in love with one of the greatest joys in the world. As your 5-star floating hotel cruises through some of the most iconic waterways of Europe, not only will you witness Mother Nature at her best, but also human engineering at its finest.

Locked Rivers

Europe's waterways are distinctive with varying water levels. To make traversing these waters seamless, water locks were invented. A lock is essentially an elevator with which ships can be raised or lowered to overcome the water level disparities. Europe's waterways are filled with locks and the Main-Danube Canal has 16 locks, some as high as 25 metres.

The invention of the water locks is a true engineering marvel with Italian scientist and artist, Leonardo da Vinci, pitching in to perfect the process. Watching your Captain expertly manoeuvre your Scenic Space-Ship through the narrow canals is a special treat that awaits you on board.

Constant State of Flux

As with any other element of Mother Nature, rivers have personalities of their own. Our state-of-the-art Scenic Space-Ships are designed to convert easily to slide under all kinds of bridges. While we make every effort to plan our trips to the last degree, some days the water levels simply don't co-operate. This leads to lock closures or difficulties passing under historic and often low-slung bridges when water levels are either too high or too low.

Our local offices throughout Europe monitor levels closely to handle all navigation issues in a timely and efficient manner to minimise disruptions.

What does an itinerary deviation look like? How could it impact my trip and how might I be compensated?

A deviation can be a quick, minor inconvenience, a prolonged change or an extended disruption depending on the circumstances.

A minor disruption may include:

In the event that a ship can't pass through a section of the river (due to water levels, a closed lock or river obstruction, for example), we use coaches to transfer you from your original Scenic Space-Ship to a new Space-Ship on the other side of the obstruction. These "ship swaps" are performed with the least impact possible with your Cruise Director accompanying you onto the new ship with your belongings to ensure the remainder of the cruise is as enjoyable as possible. You will be accommodated in a suite of the same type and value; should this not be possible you will be compensated the difference in the value of the suites.

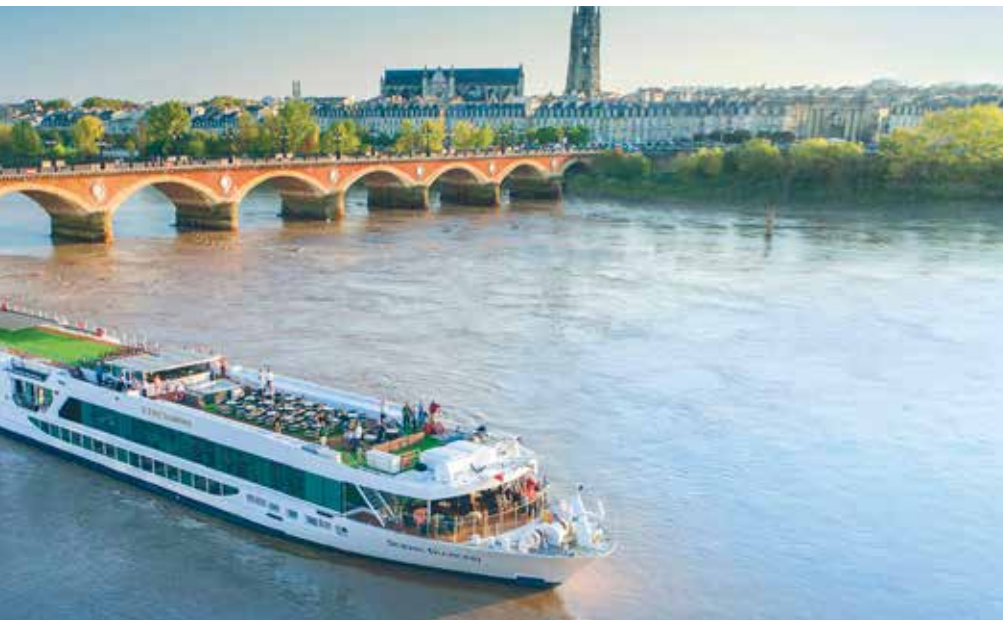

A Scenic Diamond, Bordeaux, France

B Panorama Lounge and Bar, Scenic Sapphire

C Scenic Space-Ship navigating a lock

*Not valid for Russia

A prolonged disruption may include:

Using coach transfers to the included sightseeing locations, while continuing to be accommodated on your Scenic Space-Ship. A prolonged disruption may also require us to continuously cruise without stopping for touring. Under Scenic's River Cruise Cover you will be compensated between \$100-\$200 per person per day of the disruption should we not be able to fulfill the sightseeing listed in the itinerary.

An extended disruption or major impact to your itinerary:

In the event of an extended disruption, accommodation off ship will be in local hotels with all meals provided. To the best of our ability we will ensure the hotels are of similar standard to your Scenic Space-Ship. Meals will be included, however, alcoholic drinks and amenities such as butler service, may or may not be included. Touring will be undertaken by coach. As we understand this experience will not be same as being on board the Scenic Space-Ship, under Scenic's River Cruise Cover you will be compensated based on the suite category booked, between \$300-\$800 per person per day for up to seven days. Alternatively, a full refund for the remainder of the cruise should you choose to disembark and end/finish your journey.

Your Included River Cruise Cover*

Staying true to our commitment of being truly all-inclusive, your Scenic river cruise automatically includes peace of mind River Cruise Cover. This may be enacted in the event of a deviation to compensate you for any changes to your itinerary.

Scenic is committed to open and transparent communication. Should information about potential issues be available prior to your departure we will notify you and allow you to make an informed decision about your travel plans.

Should the impact happen during your cruise, you will be notified by your Cruise Director on board that River Cruise Cover has been enacted. Once your cruise is complete, we will review the total number of days that were disrupted and provide you with a letter upon your return home with the amounts that can be claimed and details of the claims process.

We appreciate that you've invested a lot of time and funds for your holiday with us, so we want to ensure that we provide you with peace of mind when travelling with Scenic.

11.1 We may only waive a right or remedy created under these Conditions in writing. Our delay in exercising a right or remedy does not constitute a waiver of that right or remedy, nor does any waiver by Us (either wholly or in part) operate as a subsequent waiver of the same or any other right.

11.2 All disputes arising under or in any way related to this Contract, including the enforceability and interpretation of this Contract (each, a 'Dispute') governed by the laws in force in the State of Florida without giving effects to its conflicts of laws rules or principles.

If You are seeking a recovery greater than \$10,000, then You will pay the filing fee charged by AAA, but We will reimburse that fee if You win the arbitration. The parties waive the right to rely upon any state or federal law or statute which creates an exception to enforcement of the requirement that all Disputes be resolved pursuant to arbitration as set forth in this paragraph. If the right to seek arbitration is for any reason waived by both parties, or if judicial review of any arbitration decision is sought, any action or legal proceeding to enforce any provision hereof, or based on any right arising out of, this Contract shall be brought exclusively in the state and federal courts having jurisdiction in and for Miami-Dade County, Florida, and all of the parties hereby consent to the exclusive jurisdiction of such courts and of the appropriate appellate courts in any such action or legal proceeding and waive any objection to venue or jurisdiction in connection therewith. IN CONNECTION WITH ANY ACTION OR LEGAL PROCEEDING ARISING OUT OF THIS CONTRACT, THE PARTIES HEREBY SPECIFICALLY AND KNOWINGLY WAIVE ANY RIGHTS THAT EITHER PARTY MIGHT HAVE TO DEMAND A JURY TRIAL. This paragraph shall survive any termination of the Contract.

11.4 Any term which is, by its nature, intended to survive termination of the Contract survives termination.
