DISTINGUISHED *by* DESIGN

EUROPE'S MOST SPACIOUS AND ONLY ALL SUITE, ALL BALCONY RIVER SHIPS

Cruise the enchanting landscapes of the Continent in luxurious style aboard ships of state-of-the-art design featuring amenities that are as classic as the destinations they visit. Each expansive suite aboard our river fleet features a Panoramic Balcony-Window that ushers the outside in, and European butler service that ushers in just about anything else you might require. But be forewarned; once you've enjoyed Crystal's highly personalized service, adjusting back to everyday life might take some time.

An aerial photograph of a river town, likely in Europe, with a Crystal river cruise ship in the foreground. The town is built on a hillside, surrounded by lush green trees and rolling hills. The sky is a deep blue with some light clouds. The ship is white with a blue stripe and has the Crystal logo on its side. The text 'CRYSTAL BACH | CRYSTAL DEBUSSY | CRYSTAL MAHLER | CRYSTAL RAVEL' is displayed in a white box at the top of the image.

CRYSTAL BACH | CRYSTAL DEBUSSY | CRYSTAL MAHLER | CRYSTAL RAVEL

106 GUESTS | 68 CREW

With twice the number of crew per guest than other river lines, your comfort is nothing short of spectacular. Crystal's fleet is the youngest and roomiest in European river cruising, loaded with all the technology and modern amenities that implies. Spacious suites are laden with luxuries like walk-in closets and double-vanity bathrooms. Shared spaces — such as the glass-roofed Palm Court — are just as generously well appointed; even our private Wi-Fi-equipped motor coaches used for your shoreside excursions are uncommonly spacious.

UNIQUELY RIVER

ALL YOU NEED TO KNOW ABOUT RIVER CRUISING

First time river cruisers are often surprised — and delighted — by the unique experience that is a European river cruise, and by all the ways in which river cruising is so entirely different than traditional ocean cruising. While the all-inclusive luxury and genuine hospitality for which Crystal is known remains the same across all of our Experiences — Ocean, River, Yacht and Expedition — a Crystal river voyage, by its very nature, brings travelers intimately close to the rare riverscapes and landscapes of the Rhine Main, Danube and Moselle rivers: so close you can almost reach out and touch the trees, castles and charming city centers passing by right outside your window.

DOCKS AND GANGWAYS

After journeying through some of Europe’s most scenic interior waterways your Crystal River ship will arrive at docks that are typically located in the heart of the city or town. As such, the docks are open and uncovered, yet conveniently close to restaurants, shopping and public transportation.

Depending on water levels, the gangway may be positioned at a much greater angle than on an ocean ship, which adds to the adventurous nature of a river cruise itself.

ITINERARY CHANGES

Unpredictable weather events, river currents and lock traffic can sometimes necessitate a change in the timing or order of the ports of a published itinerary. Thankfully we have numerous contingency plans prepared so that you are always cruising and enjoying your river cruise vacation as much as possible.

“RAFTING”

Rafting is another unique aspect, and age-old practice, of river cruising where multiple ships “park” alongside one another. In order to reach land, guests must walk across — or through — other ships. The rafting of ships positions them so closely together you might even be able to reach out a window and literally touch the ship alongside your own.

LOCKS

One of the most fascinating parts of a European river cruise is the transiting of locks along certain stretches of the rivers. In order to move from one level of the river to the next, river ships transit one or more locks. This process often involves the ships queuing up to be guided into and secured within the lock, and then either raised or lowered as river water floods or partially drains out of the enclosure. The busy atmosphere of a lock transit is often livelier than most guests expect and creates some great photo moments of your journey.

ENTERTAINMENT

The relaxed and friendly environment of a Crystal river ship — which is smaller than one of our ocean vessels — provides the perfect setting for intimate musical performances. We regularly host trios, jazz artists and instrumentalists in Palm Court, the social hub of each ship. Local talent often comes aboard to entertain with regional favorites and engaging, cabaret-like performances.

ACCESSIBILITY

Dedicated to providing a comfortable and safe environment for all of our guests, Crystal River Cruises makes every effort to accommodate the needs of persons with disabilities. Guests with reduced mobility often have difficulty with narrow gangways, uneven surfaces, and limited port access.

rivers of
TIME & ROMANCE

Flowing through the very heart of landscapes both inspiring and enchanting are the grand European waterways that have carried kings, defined borders and nourished lush vineyards and hillsides for centuries. Along the shores of the Rhine, Main and Danube, as well as Moselle rivers, royal fortresses of centuries past mingle effortlessly with modern symbols of prosperity. DANUBE

WACHAU VALLEY | DANUBE RIVER

AUSTRIA | GERMANY | HUNGARY | SLOVAKIA

A GLORIOUS *waltz through time*

Steeped in history, myth and jaw-dropping scenery, the sinewy Danube flows through ten European nations on its 1,770-mile journey from the Black Forest to the Black Sea. To cruise this watercourse is to relive centuries of cultural and architectural achievement, dating back to when this was the northern boundary of Rome's empire. Each gleaming city, each humble village, each hidden gorge or hillside castle echoes with its own rich stories — sometimes triumphant, sometimes tragic, but always enchanting.

AUSTRIA'S WACHAU VALLEY

This storied stretch of the Danube between Melk and Krems is barely 25 miles long, yet somehow filled with infinite charm. Vineyards dot the hillsides, castles and ruins abound, and idyllic small towns line the banks. Melk Abbey, where Benedictine monks have continued their labors through nine centuries of European history, is one of the litany of must-see landmarks that make it clear why this valley is a designated UNESCO World Heritage Site.

THE SCHLÖGEN LOOP

Each section of the nation-hopping Danube offers its own distinct character and must-see sights. That's certainly the case with the riverscape between Passau and Linz — famous for its dramatic "Danube Loop," a hairpin curve near the village of Schlögen. Passau and Linz themselves are laden with appeal and sights, too. Whether your passion is forest hiking, touring Italianate mansions, or surrendering to the alluring berry-and-almond sweetness of a Linzer torte, you'll find ways to indulge it along this stretch of the river.

the RHINE
& MOSELLE
rivers of the ages

BELGIUM | FRANCE | GERMANY | NETHERLANDS | SWITZERLAND

STORYBOOK LANDS

From the high Swiss Alps to the dikes of the Low Countries, the majestic Rhine flows uninterrupted by time — past sheer cliffs and fairy-tale castles, ancient princedoms and shining modern cities, and a non-stop procession of cultural touchstones. The Rhine's role within Western Europe's geopolitical story is unrivaled, and dates back to early Roman times. Each bend, each mile, each landmark along the river's course has its tale to tell. And together, these tales form a legend cast in stone, forged in steel, and swathed in romance.

UNESCO SITES & SPECIAL HIGHLIGHTS

- ◆ Be awed by Cologne's glorious Kölner Dom and wowed by Augustusburg and Falkenlust palaces
- ◆ Cruise through the Upper Middle Rhine Valley, a 40-mile ribbon of UNESCO wonders
- ◆ Ride a gondola-lift to Koblenz' Ehrenbreitstein Fortress, perched high above the Rhine
- ◆ Enter Speyer's 1,000-year-old cathedral, where Holy Roman emperors and German kings rest
- ◆ Stroll a canal-laced warren of half-timbered houses in Strasbourg's splendid Grande Île
- ◆ Explore the landmarks of Trier, a once important powerhouse of the Roman Empire
- ◆ Bike among riesling grapes in Bernkastel

THE LEAFY UPPER RHINE

At Basel, the Rhine takes a big bend and veers northward — leaving Switzerland behind as it navigates the Alsace region of France and Germany. French Strasbourg and German Kehl sit opposite each other, a pair of splendid fairylands connected by bridges. Beyond Speyer, Mainz is home to an original Gutenberg Bible. Just around the next bend, Rudesheim sits at the start of the Gorge.

THE GORGEOUS RHINE GORGE

The deep gorge between Bingen and Bonn may be the Rhine's most thrilling 90-mile stretch. Dramatic slopes brim with vineyards while some 40 castles provide medieval atmosphere. Myths abound here, such as the siren of Lorelei rock who lured weary seamen. Where the Moselle joins the Rhine in Cochem, a riverside promenade beckons. Upstream, Koblenz offers sidewalk cafés and *Weinstuben*.

THE ENCHANTED MOSELLE

With its mountains, vineyards and villages, this is river cruising at its most idyllic. So narrow is the Moselle — and so close to the shoreline while you cruise — you can hear the breeze rustling the trees and be tempted to reach for the Riesling and Gewürztraminer grape-laden vines. See the Spitzhäuschen (pointed house) in Bernkastel, explore the 12th-century Eltz Castle in Trier and stroll Cochem's scenic riverside promenade.

TULIP TIME

a symphony in color

Join us for a memorable voyage into a land that has one wooden shoe firmly in the medieval past and the other dancing on the leading edge of contemporary culture.

ABLOOM WITH HISTORY

Holland's love affair with tulips harks back to the 1500s, when these handsomely symmetrical Himalayan flowers were first imported. The Dutch soon grew so obsessed with cultivating new varieties that the famous "Tulip Mania" of the 17th century followed, when the rarest bulbs traded hands for more guilders than a mansion — until the market crashed. Widely regarded as the world's first free-market bubble, this apocalyptic tale has been somewhat debunked by recent research. But don't tell the destination guides that.

BACHARACH, GERMANY

AN EPIC *transcontinental* JOURNEY

A traverse of Western Europe and its eastern flank by river is a legendary experience; a voyage with deep historical meaning. The great warrior-king Charlemagne was first to envision it, back in 793. The channel he had excavated, connecting two tributaries that would link the great Danube and Rhine, collapsed in failure before his dream was realized. A thousand years later, Ludwig I of Bavaria began work on a modern replacement — and in 1992, the current Rhine-Main-Danube Canal opened its miraculous locks to create a continuous 2,200-mile waterway spanning 15 countries.

CHRISTMAS MARKETS

a cherished tradition

Dating back centuries throughout the German-speaking countries of Europe, the medieval tradition of gathering in town squares to celebrate the season is having a renaissance moment of sorts with Christmas markets increasingly finding their way to the top of many a world traveler's bucket list. The forerunner of this annual holiday event was first recorded in Vienna in 1298, when citizens were granted permission to hold a "December Market" during Advent. It wasn't until 1384 that the first Christkindlmarkt as we now know it was held in Bautzen, Germany followed by Dresden's Striezelmarkt in 1434.

Today, from Budapest to Cologne (indeed, all around the world!), cities and villages along Europe's majestic rivers are aglow with twinkling lights and fairy-tale scenes of snow-dusted rooftops and wooden stalls brimming with handcrafted gifts and ornaments, freshly baked gingerbread, the scent of mulled wine and more. Typically hosted during the four weeks of Advent, many begin the Friday before Advent (four Sundays before Christmas Eve) and end on December 24, as Christmas Eve is spent at home. It is an enchanting experience sure to linger with a childlike wonder in all who experience it.

BEFORE YOU SAIL

Everything you need to know in advance of your travels, shared here for ease of reference and proper planning. please consult your travel advisor or crystalrivercruises.com.

AIR TRANSPORTATION | LUGGAGE

Please notify Crystal of your air details either by phone or on PCPC (**Priority Check-in & Planning Center**) to ensure you are on our river ship manifests.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the river ship's sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket.

Please be advised that port authorities sometimes change the location of the pier or berth number. You may check your ship's dock location approximately 24 hours prior to embarkation day by visiting:
www.CrystalCruises.com/riverdocks.

In addition, please make sure you see your river ship when you arrive at the port/pier. If you do not actually see your ship, please call:

CRYSTAL BACH: + 31 20 22 46 662
CRYSTAL DEBUSSY: + 31 20 22 46 664
CRYSTAL MAHLER: + 31 20 22 46 663
CRYSTAL RAVEL: + 31 20 22 46 665

You must be on board the river ship at least two hours prior to sailing. If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9 pm, please plan to be at the pier no later than 7 pm for security clearance and check-in.

When planning your return flights, please take into consideration the date and time the river ship docks at the final port. Disembarkation starts in early morning as we offer transfers to the airport. Also, guests must vacate their suite by 10 am but can stay on board until noon, as our last transfer out is at that time. Times may vary if the river ship is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to stringent customs procedures or travel time to the airport. If you are making independent reservations to fly home directly after the cruise, your travel advisor should contact Crystal's Reservations for flight departure guidelines, which vary by each itinerary's port.

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements, and provide a personal phone contact for last-minute flight updates. Details regarding checked and carry-on luggage allowances (restrictions, size, weight and quantity) and applicable fees, miscellaneous service airline fees or other flight-related inquiries should be discussed directly with the airlines or through your travel advisor.

Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations, and seat assignments for both outbound and return flights 96 hours prior to departure.

CRUISE TICKET | LUGGAGE TAGS

Your cruise ticket is enclosed with your travel documents; it must be in your possession, along with your valid passport, when you board the river ship. Please read the complete terms and conditions on your cruise ticket.

Prior to leaving for the airport, please be sure to complete and attach a Crystal River Cruises luggage tag to each checked bag so it can be easily identified upon arrival.

BAGGAGE, VALUABLES & OTHER POSSESSIONS

Guests may bring a reasonable amount of clothing and personal effects aboard the ship without charge, subject to airline restrictions. All baggage must be securely packed and distinctly labeled with the guest's full name, the name of the ship, the suite number of the guest and the sailing date of the ship. All checked baggage must be locked.

Guests must personally carry baggage containing breakable items and valuables, including but not limited to jewelry, watches, money, precious stones and metals, securities, checks, other financial instruments and/or tickets, at all times during transit, including but not limited to on and off the river ship. **Guests should not give such baggage containing breakable items, medications or valuables to anyone at any time, including but not limited to porters, river ship personnel or anyone else who is not known personally to the guest, regardless of any assurances given that it is safe to do so, at any time, including during transit to and from the airport, arrival at the river ship, boarding and checking into guest's suite, or at any other time while traveling.**

Such baggage is the full and sole personal responsibility of the guest at all times and may not be included with checked baggage.

Guests are personally responsible for their baggage throughout the travel process and should personally ensure that their valuables are carried to their suite and stored appropriately in the suite safe. **Crystal River Cruises is not responsible for loss of or damage to any such items.** We recommend that if you lock your luggage, please use a Transportation Security Administration approved lock, especially when in transit between airport and river ship.

As luggage allowances may have changed since you last traveled, we recommend that you request your airline or travel advisor provide you with details and recommendations on locks, as well as checked and carry-on luggage.

River ship and airline safety requirements prohibit the transportation of dangerous goods such as explosives, weapons, ammunition, mace, pepper spray, hazardous material, martial arts devices, swords or similar items that may be considered a security risk.

In addition, in the interest of maintaining a safe and secure environment, please be advised that **aerial drones are prohibited and may not be brought on board the ship.** They must be surrendered to the Captain at embarkation, and will be kept in storage for the duration of the cruise.

BOARDING THE RIVER SHIP

At most embarkation ports, the river ship is usually available for guests boarding after 12 pm (noon). Suites are available for guest occupancy by 3 pm.

The exact embarkation and sailing times are specified on your cruise ticket. In order to embark, all guests must carry a passport that is valid for six months after the end of the cruise, and with at least four blank pages available for visas (as applicable) per advertised voyage number. Each time you leave the river ship and reboard in ports of call during your cruise, you will be required to show your suite keycard at the gangway. On embarkation day, you must be on the river ship at least two hours prior to scheduled sailing.

If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9 pm, please plan to be at the pier no later than 7 pm for security clearance and check-in. Once you are on board, our six-star crew will welcome you and assist with your hand luggage. Your remaining luggage will be delivered to your suite.

On succeeding cruise days (cruise day two through the last cruise day or night prior to disembarkation), all guests must be on board the river ship no later than **30 minutes** prior to scheduled port departure.

Upon check-in aboard your river ship, a credit card must be registered for your onboard expenses. If you have preregistered, these details will be confirmed upon your arrival. Registering your credit card provides you with the convenience of settling your onboard expenses using our Express Check-out System, ensuring a smooth and expeditious process at the conclusion of your cruise. You will receive an itemized statement delivered to your suite on the morning of disembarkation, and your credit card will be billed automatically through your credit card company. If you wish, at the conclusion of the cruise, you may elect to pay for your onboard expenses in cash or by personal check from U.S. bank accounts at the Reception Desk. If you decide to pay for your expenses by cash or personal check, please notify the Reception Desk and your credit card will not be charged.

Requests may be made through the **Priority Check-in & Planning Center (PCPC) portal** by a guest with a valid booking number, or requested on board, through the river ship's Reception Desk. All requests and supporting information must be submitted through PCPC no later than eight days prior to the intended visit day (or arrival into port, if requested while on board). The number of visitors allowed is capacity controlled and subject to the security level at the port of call.

Due to changing world conditions, Crystal River Cruises may institute a no-visitor policy on board its river ships from time to time. This policy is subject to change, without notice, at any time.

"AS YOU WISH" CREDITS

As You Wish Credits are subject to change and may be adjusted or denied based on changes to the reservation, such as category assignment, fare revisions or travel dates. Credits may not be applied as a deduction toward current or future cruise fares, port, security and handling charges, or airfare add-ons. Some As You Wish credits may not be applied to canceled reservations (whether paid in part or in full) and are not covered by Crystal Cruise's Protection Plan. As You Wish credits are non-redeemable for cash, are not transferable, are valid for one sailing (defined as a booking) only and are only applicable on board.

Please note: All U.S. Dollar denominated shipboard credits will be converted to Euro (the river ship's official currency), three days prior to embarkation and at the company's rate of exchange on that day.

SPECIAL NEEDS & OTHER ACCESSIBILITY INFORMATION

Crystal River Cruises is dedicated to providing a comfortable experience for all our guests. We make every effort to accommodate the needs of persons with disabilities. Crystal River Cruises does not discriminate against any person on the basis of disability.

There are NO facilities for disabled guests, including handicapped/wheelchair accessible suites, or any access or assistance provided to disabled guests on embarkation or disembarkation.

For many reasons, embarkation and disembarkation presents difficulties for guests with reduced mobility. Gangways are quite steep and narrow and there is frequently a need to cross other river ships to gain access to the pier.

GOING ASHORE

Guests with disabilities/limited mobility should also note that not all ports are wheelchair accessible. Port access varies greatly around the world and in most instances, the river ports are not wheelchair accessible. Guests should be aware that some Destination Discoveries include rough terrain, extensive walking over cobblestone streets, uneven pavement, and steps and locations which may not be easily accessible or accessible at all by wheelchair.

Crystal River Cruises reserves the right, without liability, to refuse to board or transport guests whose medical condition, limited mobility or disability is not compatible with security rules and requirements specific to the navigation area, or who, in Crystal River Cruises' opinion, is unfit for travel on the river ships.

In the unlikely event of an emergency, all guests must be fully mobile and able to exit the river ships safely. If guests are unable to meet the minimum safety requirements, even when provided with appropriate auxiliary aids and/or services, Crystal River Cruises may find it necessary to ask the guest to make alternative travel arrangements.

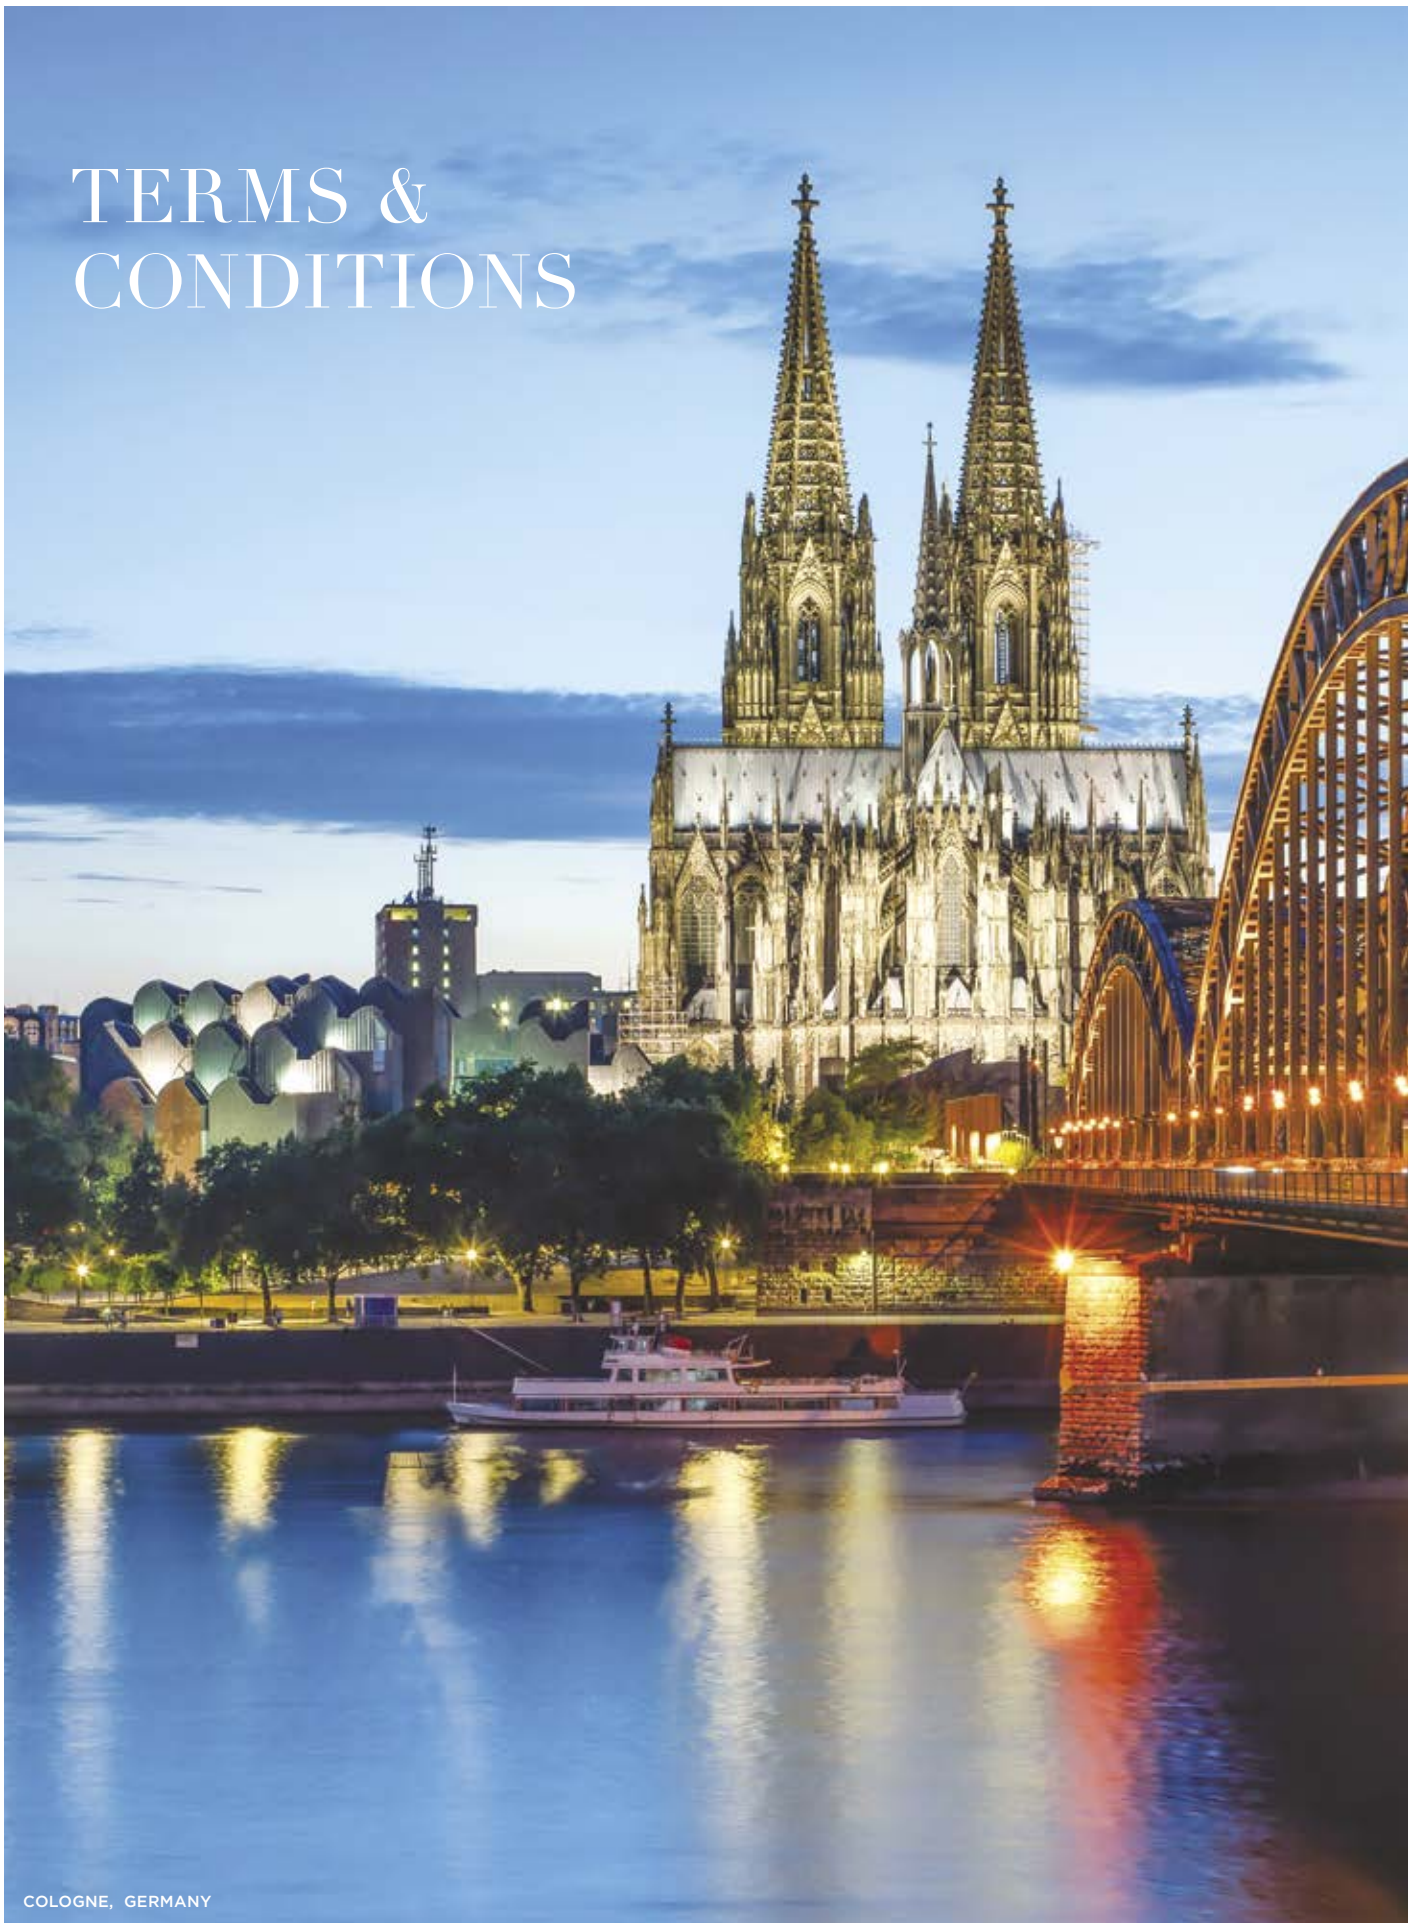

All itineraries, fares, programs, promotions and policies are subject to change at the discretion of Crystal River Cruises. Crystal River Cruises reserves the right to correct errors or omissions and to change any and all fares, fees, promotions and programs at any time with or without notice.

TERMS & CONDITIONS

COLOGNE, GERMANY

CRYSTAL RIVER CRUISES 2021 TICKET TERMS & CONDITIONS

IMPORTANT NOTICE TO GUESTS: THE FOLLOWING TERMS AND CONDITIONS ARE THE ENTIRE AGREEMENT BETWEEN CRYSTAL CRUISES AND YOU. PLEASE READ THEM CAREFULLY, AS WE ARE BOTH BOUND BY THEM. THESE TERMS AND CONDITIONS ARE SUBJECT TO CHANGE WITH OR WITHOUT NOTICE. THIS IS A CONTRACT WHICH AFFECTS YOUR LEGAL RIGHTS, PARTICULARLY SECTION 13 GOVERNING THE PROVISION OF MEDICAL SERVICES, SECTIONS 7, 11, 12, 17, 18, 20, AND 21 LIMITING CRYSTAL'S LIABILITY FOR YOUR DEATH, ILLNESS, INJURY, OR DAMAGE CLAIMS RELATING TO BAGGAGE OR PERSONAL PROPERTY, LIMITING YOUR RIGHT TO SUE, AND REQUIRING ARBITRATION FOR CERTAIN CLAIMS AND WAIVER OF JURY TRIAL.

1. Definitions: The term "Ticket" refers to the terms and conditions of this Ticket contract as SET FORTH HEREIN. The term "Guest" refers to a passenger on the ship and includes every person named on the face of the Ticket; the term "Ship" includes the ship named in the Ticket or any ship substituted for the ship named in the Ticket, and its tenders or any other means of conveyance controlled by Crystal Cruises; the term "Crystal River Yachts" is equivalent to "Crystal Cruises" or "Crystal" and includes the Ship, its owner, operator, manager, charterer and agents, any and all affiliated or related companies and the sales representatives and all employees, officers, crew, pilots, and agents of such individuals and companies.

Rates vary by departure and are per person based on double occupancy. Rates shown are representative examples and do not include taxes, fees and port charges.

2. Cruise Fare: A) Cruise fare includes all normal shipboard services and facilities plus all nonalcoholic beverages, select wines and liquors, and gratuities for housekeeping, dining and bar staff. The cruise fare does not include cruise port, security, navigation, berthing, stevedoring, and baggage handling/storage charges, fuel surcharges, fees or charges imposed by governmental or quasi-governmental authorities, shore excursions, sightseeing or meals ashore, taxes, gratuities, visa fees, laundry or valet service, or any item or service whatsoever of a personal nature, such as any massage or salon services which may be provided onboard and for which separate charges may be imposed. Transfers between the airport and ship on the day of embarkation and disembarkation are included for full-fare Guests purchasing Crystal Cruises' Optional Air/Sea Program described below. Cruise fare does not include miscellaneous charges levied by the air carriers for services, including but not limited to luggage, meals, special seat assignments or any other airline-provided service, which are the Guest's responsibility. Details regarding such fees are available on the individual airlines' websites.

B) All offers may not be combinable with other promotions, apply to first two Guests in suite or suite, are capacity-controlled, subject to availability and may be changed or withdrawn at any time. Crystal Cruises reserves the right to collect the rate in effect at the time of sailing, including, but not limited to, the fact that if the Guest is on a wait list and is subsequently confirmed, such confirmation will be subject to Cruise fares and Optional Air/Sea Program costs in effect on the date that the cruise is confirmed. Fuel surcharges may be added at any time to defray fuel cost increases, even if the cruise fare has been paid in full.

3. Non-Transferability/Binding Effect: The Ticket is valid only for the Guest or Guests named on the ticket for the date and Ship indicated. It may not be sold or transferred. The Terms and Conditions of the Ticket are binding on, and confer benefits to, the Guest, the Guest's spouse, heirs, executors, administrators, personal representatives, dependents and next of kin. The Guest represents and warrants that he or she is duly authorized by and on behalf of all Guests (including children) named on the Ticket to agree to all of the terms and conditions of the Ticket and to bind all such Guests to such terms and conditions.

4. Embarkation: The Guest is required to be on board the Ship at least 2 hours before departure time. At the time of embarkation, the Guest is responsible for having received all medical inoculations necessary for the voyage and having in his or her possession the Ticket, valid passport, visas and other documents necessary for the cruise, scheduled ports of call and disembarkation. If the Guest does not have proper documentation he or she will not be allowed to board the Ship.

The Guest is advised to consult his or her travel agent or the appropriate governmental authority concerning required documentation for travel. The Guest shall indemnify Crystal for all penalties, fines, charges, losses and expenses imposed upon or incurred by Crystal due to the Guest's failure to have proper documentation or otherwise comply with applicable laws or regulations of any kind. Any stamps on tickets, customs, excise or other taxes or fines on the Guest or Crystal resulting from the Guest's conduct, embarkation expenses, and all expenses of such a nature are to be paid by the Guest. If the Guest is denied boarding for failing to comply with the requirements of this paragraph, Crystal shall not be liable to refund the Guest's fare or for any other damages or expenses whatsoever.

5. Cancellations or Category Downgrades Prior to Embarkation; Guest's Travel Agent: Cancellation or category downgrade requests must be made by telephone or in writing to Crystal Cruises. The charts below set forth the time by which the request must be received by Crystal Cruises prior to the Optional Crystal Air/Sea Program or, for non-Air/Sea Guests, the cruise departure date ("Departure Date"), and the cancellation fee which will be charged. In the event of a cancellation, a full refund of total fare (including cruise, air, hotel and Extended Land Programs); and in the event of category downgrade, full refund of the cruise-only difference between the original category and the downgraded category, will be made to the Guest through the travel agent, except as noted herein below. Guest hereby agrees that losses sustained by Crystal in the event of Guest's cancellation would be very difficult or impossible to quantify, and that the fees set forth in the below cancellation or category downgrade charts represent a fair and reasonable assessment as liquidated damages. Since a cancellation or category downgrade likely means a diminished opportunity to sell the same space on other cruises, the cancellation fees in the charts below apply regardless of a name change or suite resale. See information below for appropriate voyage and year policy.

Cancellation fees/penalties apply if booking is canceled within penalty periods outlined below. The date of booking cancellation determines the applicable penalty amount. The penalty is applied as a percentage based on total fare and does not apply to taxes, fees and port charges.

All appropriate refunds will be made to the Guest through the travel agent, except for those payments made by credit card, in which case the amount of the refund will be credited directly to the cardholder's account. Any inquiries about a refund must be made by the Guest to the travel agent. Some agents may, at their discretion, withhold an agency cancellation fee. Crystal Cruises will not be responsible for the receipt by the Guest of refund monies, except for those refunds made to credit cardholder's account. A travel agent used by the Guest acts solely for the Guest and is deemed the agent of the Guest. Crystal Cruises is not responsible for the financial condition or any actions of any such travel agent. If the agent fails to remit to Crystal Cruises any money paid by the Guest to the travel agent, the Guest remains liable for the fare due to Crystal Cruises, regardless of when Crystal Cruises demands the payment. Any refund made by Crystal Cruises to an agent on behalf of the Guest is considered, for purposes of these Terms and Conditions, as being the same as payment to the Guest, whether or not the travel agent delivers the refund money to the Guest. Receipt of any documentation or information by the Guest's travel agent, including, but not limited to, these Terms and Conditions, is deemed to constitute receipt by the Guest.

6. Baggage, Valuables and Other Possessions: Each Guest may bring aboard the Ship a reasonable amount of clothing and personal effects without charge, subject to airline restrictions. All baggage must be securely packed and distinctly labeled with the Guest's full name, the name of the Ship, the suite number of the Guest and the Departure Date of the Ship. All checked baggage must be locked.

A) Guest must personally carry baggage containing breakable items and valuables, including, but not limited to, jewelry, watches, money, precious stones and metals, securities, checks, other financial instruments and/or tickets, at all times during transit, including, but not limited to, on and off the Ship. Guest should not give such baggage containing breakable items or valuables to anyone at any time, including, but not limited to, porters, Ship personnel or anyone else who is not known personally to the Guest, regardless of any assurances given to Guest that it is safe to do so, at any time, including, but not limited to, during transit to and from the airport, arrival at the Ship, boarding and checking into Guest's suite, or at any other time while traveling. Such baggage is the full and sole personal responsibility of the Guest at all times. Such baggage may not be included with checked baggage. Guests are personally responsible for their baggage throughout the travel process and should personally ensure that their valuables are carried to their suites and stored appropriately in the suite safe or in the Ship safe available at the front desk. Crystal Cruises is not responsible for loss of or damage to any such items.

B) Weapons, ammunition, explosives, substances that are hazardous, disabling, or illegal, or any other article that in the opinion of the Master shall be deemed dangerous, are strictly prohibited aboard the Ship. Such additional dangerous articles include, but are not limited to, firearms, stun guns, swords, ice picks or knives. A more comprehensive list of prohibited items is available through Crystal Cruises' Onboard Guest Services. Any such items shall be surrendered to the Captain at embarkation, and may be disposed of at the sole discretion of the Captain.

7. Liability Limitations for Loss of or Damage to Property: The total value of the luggage, valuables and other personal belongings of a Guest aboard the Ship who does not purchase Crystal Cruises' Cruise Protection Program, as set forth in paragraph 8 shall be deemed not to exceed the amount of U.S. \$250 per Guest, and Crystal Cruises' liability, if any, for loss of or damage to such belongings is limited to a maximum of U.S. \$250 per Guest, unless the Guest shall deliver to Crystal Cruises, in writing and prior to embarkation, a Declaration of the true value of the property and pay to Crystal Cruises prior to embarkation a sum equal to 5% of the excess of the agreed values set forth herein. In that event, the liability of Crystal Cruises, if any, shall be limited to the actual damage sustained up to, but not exceeding such specified value. If a Guest travels by air or other transportation, the terms and conditions of the airline or other transportation provider apply to the Guest's carriage on those conveyances, and Crystal Cruises shall not have any liability for loss or damage to luggage, valuables and other personal belongings arising out of, or related to, such air or other travel.

A) Crystal Cruises provides an in-suite personal safe for your convenience; however, Crystal Cruises shall not be liable, in any event, for any loss of or damage to money, jewelry, watches, precious stones and metals, securities, financial instruments, tickets, works of art, electronics, computers, digital or flash drive computer equipment, cellular telephones, cameras, video or audio tapes, CDs, binoculars, dental hardware, eye wear, hearing aids, medications, medical equipment, and/or other valuables stored in the in-suite safe.

B) All settlements for loss or damage will be made on the basis of actual cash value (replacement cost, less depreciation) to the extent of the \$250 limit of liability of Crystal Cruises. Claims for damaged items will be settled on the basis of cost of repair. No amount shall be paid in settlement of any claim without written proof of the actual cash value, or repair cost, as applicable, arising from the loss or damage. Such proof must be sent to Crystal Cruises. Crystal Cruises' liability must also be proven before any settlement will be paid.

C) Personal belongings lost while unattended in public lounges or other public areas, whether on board the Ship or elsewhere, are not reimbursable. Losses or damage due to ordinary wear and tear, perils of the sea, acts of God, or any other cause beyond Crystal's control are not reimbursable.

8. Cruise Protection Program: Crystal Cruises' Cruise Protection Program is an optional travel insurance program available for purchase by Guests. The Cruise Protection Program is available for purchase from the time of booking up until final payment and becomes effective when Crystal Cruises receives payment of the required plan cost, in addition to any required cruise deposits or payments due.

A) Cancellation: Cancellation fees will be assessed according to paragraph 5, "Cancellations Prior to Embarkation." Refunds, if any, will be made to Guests who have purchased the optional Cruise Protection Program and only in accordance with the terms and conditions of the Cruise Protection Program.

B) Baggage Protection: Coverage for loss of or damage to baggage and other personal property of Guests who purchase the optional Cruise Protection Program is described in the Cruise Protection Program. Other than as stated in Section 7 in these Terms and Conditions, Crystal Cruises shall have no liability of any kind for any reason for loss of or damage to baggage or personal effects.

9. Itinerary/Right To Change/Detention: Crystal Cruises reserves the right at its sole option and discretion and that of the Captain of the Ship without liability for damages or refund of any kind, to deviate from the Ship's advertised or ordinary itinerary or route, to delay, advance or cancel any sailing, to omit or change ports of call, to arrange for substantially equivalent transportation by another vessel and/or by other means of transportation, to cause the Guest to disembark from the Ship temporarily or permanently, to tow or to be towed or assist other vessels or to perform any similar act which, in its sole judgment and discretion, is justified for any reason. Crystal Cruises may for any reason whatsoever cancel any sailing at any time before departure of the Ship. In such event, Crystal Cruises' only liability will be to refund to the Guest the amount it has received for the Ticket. If a voyage is canceled due to mechanical failure of the Ship, the Guest will be entitled to a full refund of the cruise fare, or a partial refund for voyages that are terminated early due to those failures. If a voyage is terminated early due to mechanical failure of the Ship, the Guest is also entitled to transportation to the Ship's scheduled port of disembarkation or the Guest's home city, at the discretion and expense of Crystal Cruises, as well as lodging at the unscheduled port of disembarkation, if required, at the expense of Crystal Cruises.

10. Health/Pregnancy/Children/Disability/Wheelchair/Alcohol/Smoking/Security/Indemnification/Solicitation: A) The Guest represents and warrants that the Guest is physically, mentally and otherwise fit to travel; that Guest has received all medical inoculations necessary and that he or she will at all times comply with the Ship's rules and regulations and orders and directions of the Ship's officers and medical staff; that his or her conduct will not impair the safety of the Ship or inconvenience other Guests. Crystal Cruises is unable to accommodate women who will enter their 24th week of pregnancy before or during the cruise.

B) Unwed, unrelated couples must be 18 or over to be booked in the same suite. Crystal Cruises is unable to accommodate children under 6 months of age and reserves the right to restrict the number of those under 3 years of age aboard the Ship. Any child under the age of 18 must be accompanied by an adult over the age of 21. In addition, if the adult accompanying this child is not a parent, a "Parental Consent Guardianship Form" must be signed and notarized by a parent or legal guardian and received by Crystal Cruises at least 30 days prior to sailing. Guests age 17 and under must be in a suite either with a parent or a guardian over 21 years of age. Guests must be 18 years of age to gamble on the ship. If the adult Guest is the spouse of the minor, a valid marriage certificate must be presented.

C) Guests with any disability, including those primarily confined to wheelchairs or scooters or who use service animals, are recommended to notify Crystal Cruises at the time of booking. Crystal Cruises recommends these Guests be accompanied by someone who is able to assist them both ashore and at sea. Guests acknowledge and understand that certain international, foreign or local safety requirements, standards, and/or applicable regulations involving design, construction or operation of the vessel, docks, gangways, anchorages or other facilities on or off the vessel may restrict access to facilities or activities for persons with mobility, communication or other impairments or special needs. Due to the nature of river cruising, vessel traffic, and decisions of foreign port and harbor operators, disembarking at some ports may require the Ship to be tied alongside another vessel, which may in turn require Guests to ascend and descend stairs on the vessels and traverse gangways of varying widths and lengths between the vessels before reaching the gangway to shore. This type of disembarkation arrangement is outside the control of Crystal Cruises, is without advance notice to Crystal Cruises until shortly before arrival at the port, and may preclude Guests with mobility limitations from going ashore. Some ports of call are anchorage ports, and physical conditions may preclude these Guests from going ashore. This decision must be made by the Captain of the Ship based on safety and is binding. Upon request, Crystal Cruises will provide Guests additional information about accessibility and limitations of scheduled ports of call on a specific itinerary. For all inquiries please call 866-446-6625. Guests requiring a wheelchair or scooter must bring their own. Motorized scooters must not exceed 22" in width. Crystal Cruises reserves the right to limit the number of scooters on board. Portable oxygen tanks and oxygen concentrators may be used on board, provided that Crystal Cruises' Onboard Guest Services is notified at least 30 days prior to sailing. Crystal Cruises understands a service animal to be any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Animals that are not trained to do work or perform tasks are not considered to be service animals. Emotional support animals, which provide emotional support, well-being, comfort, or companionship to an individual with disabilities but are not trained to do work or perform tasks, are not considered to be service animals. Pets and other animals who are not service animals are not allowed on board the Ship. The Guest agrees to accept full responsibility for any service animal, including but not limited to food, care and appropriate paperwork for the animal, and to defend, indemnify and hold harmless Crystal against any injury, loss, damage or expense whatsoever related to the presence of any service animal aboard the Ship.

D) The Guest hereby consents to a reasonable search being made of the Guest's person, baggage or other property, and to the removal and confiscation or destruction of any object which may, in the opinion of Crystal Cruises impair the safety of the Ship, crew, or other Guests or be illegal or inconvenience other Guests.

E) Guest understands and agrees that Guests must be at least 18 years old to be served wine and beer, and at least 21 years old to be served spirits. Guest agrees not to attempt to provide or consume alcoholic beverages in violation of this policy, either for themselves or others. Guest agrees to consume alcoholic beverages only in moderation and Crystal Cruises reserves the right to refuse alcoholic beverages to any intoxicated or underage Guest. Crystal Cruises reserves the right to prohibit and retain all liquor brought aboard the Ship. Guest agrees to abide by this provision.

F) Guests shall observe the nonsmoking areas on board the Ships. Smoking, including tobacco, cigars, pipes, e-cigarettes and vaporizers will be permitted in designated outdoor area(s). Smoking is prohibited in all other indoor areas of the Ship including all other public rooms, lounges, corridors and restaurants, as well as all suites, suites and verandahs. If smoke is detected in a suite or suite, a cleaning fee of \$250 per occurrence will be billed to Guest's account. Fines will be charged for violations in accordance with this policy. If there is ongoing violation of the nonsmoking policy, more stringent consequences, including disembarkation without refund, may be ordered by the Captain.

G) The Guest shall be liable to and shall reimburse Crystal for all damages or loss of or to the Ship and its furnishings and any equipment or property of Crystal or any other Guest caused directly or indirectly, in whole or in part, by any act or omission of the Guest or those for whom the Guest is responsible, whether willful or negligent, including but not limited to, theft or any other criminal act. The Guest shall further indemnify Crystal and each and all of their agents or servants against all liability whatsoever arising from any personal injury, death or damage or loss whatsoever caused directly or indirectly, in whole or in part, by any willful or negligent act or omission on the part of the Guest or those for whom the Guest is responsible.

H) The Guest agrees that he or she shall not solicit for commercial purposes Guests or others on board the Ship, or advertise goods or services on board the Ship without the prior written permission of Crystal Cruises. Solicitation by vendors of goods and services, including, but not limited to, solicitation by travel agents, is strictly forbidden.

11. RIGHT TO REFUSE BOOKING AND PASSAGE, CANCEL RESERVATION; CONFINE GUEST TO SUITE OR DISEMBARK GUEST. A) Crystal Cruises reserves the right to refuse booking of passage on a cruise to any person or to cancel Guest's existing cruise reservation for any or no reason and regardless of a Guest's Crystal Society level or existing benefits. Any person(s) refused booking or passage in advance of the scheduled sailing by Crystal Cruises will be given a refund of their Cruise Fare unless such refusal is due to the action or inaction of Guest. Crystal Society milestones have no cash value and therefore will not be refunded.

B) Crystal Cruises, without any liability, including liability for refund, payment, compensation or credit, except as provided herein, may disembark or refuse to embark Guest because of the action or inaction of Guest, confine Guest in a suite, quarantine Guest, restrain Guest, change Guest's accommodations or disembark Guest at any time if, in the sole opinion of Crystal Cruises, the Captain or any Ship doctor, Guest or any minor or other person in Guest's care during the cruise is unfit for any reason for the cruise, or guest's presence might be detrimental to guest's health, comfort or safety or that of any other person, or in the judgment of the Captain is advisable for any reason. The Captain of the Ship has the right in his sole discretion to make decisions in this regard for the safety and security of the Ship and the health, safety and security of those on board.

C) Crystal Cruises reserves the right to request a letter from Guest's physician attesting to Guest's fitness to travel, but by requesting such letter does not waive its right to disembark or refuse to embark Guest as set forth herein. If Guest is required to remain on board the Ship or elsewhere, due to injury, illness, or disability, or due to action of any government or authority, or for any other reason not the fault of Crystal Cruises, Guest must pay or reimburse Crystal Cruises for all resulting costs and expenses including for food, transportation, accommodation, medical and/or repatriation services including but not limited to such costs incurred by or on account of services provided by port agent and other shoreside service providers, including luggage shipping costs for Guest and those accompanying the Guest.

D) If the Guest is refused passage or leaves the Ship prior to the end of the cruise for any of the reasons described in this section or for other reasons including, but not limited to, personal, medical, or business reasons, Crystal Cruises will not be liable or required to refund any portion of the Ticket price, or to be responsible for any payment, compensation or credit of any kind or for any of the Guest's costs.

E) The provisions of Regulation 1177/2010 on Passenger Rights when Traveling by Sea and Inland Waterways will apply where the port of embarkation is in the European Union.

12. Independent Contractors/Shore Tours/Limit of Liability: A) Tours, including pre-cruise, post-cruise and other shore excursions, including hotels, restaurants and transportation, whether by vessel, air, rail, land or other means, not owned or operated by Crystal Cruises, are not under the operation or control of Crystal Cruises, and Crystal Cruises makes no representation of any kind as to them, and takes no responsibility for them, even if, as a convenience to Guests, Crystal Cruises provides an escort. Crystal Cruises takes no responsibility for air or other transportation under any circumstances. Guests must assume responsibility for their actions while ashore and for their participation in shore activities.

B) The Guest shall have no right to any refund and Crystal Cruises shall have no obligation or liability of any kind to the Guest for acts or omissions in connection with or arising out of arrangements with independent contractors since they are not agents or employees of Crystal Cruises. Arrangements with independent contractors include, but are not limited to, the following: i) services or products available for the Guest's convenience on board the Ship and furnished by barbers, hairdressers, manicurists, masseurs, spa operators, photographers, entertainers, instructors, lecturers and others; ii) services, products or transportation provided elsewhere than on board the Ship which are furnished by others in connection with visas, passports, sightseeing tours, pre-cruise and post-cruise tours, excursions and shore trips, including, but not limited to, tender service, whether arranged or organized by tour operators, travel agents or Crystal Cruises.

C) The independent contractors shall be entitled to charge for any products sold, services rendered, or transportation provided to the Guest either directly or, as a convenience to Guests, through Crystal Cruises, for which services Crystal Cruises is entitled to impose a charge and earn a profit. Refunds will not be given for partially used services. No refund will be made for missed hotel nights or other program features due to airline delays or other factors beyond the control of Crystal Cruises. Hotel Programs and Extended Land Programs are subject to the same cancellation policy as described in "Cancellations Prior to Embarkation."

D) Guest and Crystal agree and intend that all rights, exemptions from liability, defenses and immunities of whatsoever nature referred to in these Terms and Conditions applicable to Crystal Cruises and the Ship, including, but not limited to, Sections 5, 6, 7, 9, 11, 12(F), 17, 18, 19, 20, and 21 shall in all respects inure also for the benefit of certain third parties including: the Ship's tenders, the officers, crew, pilots, agents or employees, and all concessionaires, independent contractors, physician and medical personnel, retail shop personnel, health and beauty staff, fitness staff, photographers, shore excursion providers, tour operators, shipbuilders and manufacturers of all component parts, launches, appurtenances, craft or facilities, regardless of whether provided at sea or on shore, and regardless of whether belonging to any such ship or owned or operated by its owners, operators, managers, agents, charterers, contractors or concessionaires.

E) Crystal Cruises will arrange air transportation upon a Guest's request as a separate service. If a Guest chooses this optional service, Guest authorizes Crystal Cruises to select the air carrier, routing and schedule and to substitute charter flights for scheduled air or vice versa. If due to any cause beyond its control, Crystal Cruises is unable to arrange for air travel or the air travel arranged is unavailable or otherwise fails to materialize, Crystal Cruises' liability will be limited to refunding the optional air add-on amount paid to Crystal less any applicable change or special deviation fees. Crystal assumes no liability for any acts or omissions of any airline, including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. In arranging transportation, Crystal acts solely for the convenience of the Guest and not as agent or principal for the air carrier. The liabilities and obligations of an airline to the Guest and the Guest's rights as an airline passenger are governed exclusively by the terms and conditions of the airlines' tickets and tariffs.

Crystal Cruises does not own or operate the air carrier, ground transportation or hotels, and is not liable in any way for loss, damage, injury, illness or death arising in conjunction with the services provided by these independent contractors.

13. Medical Treatment: A) Medical Services and Facilities: The Guest recognizes and agrees that Crystal is not in the business of providing medical services and/or operating medical facilities. To the extent that the Ship provides a surgeon or physician, or if the Ship requests emergency or other medical care or evacuation for the Guest on the Guest's behalf (hereinafter, "Medical Services"), it is understood and agreed that Crystal does so solely for the convenience of the Guest, that such Medical Services are provided by medical professionals who work directly for the Guest, and that Crystal does not undertake to supervise, nor does it supervise or direct the actions of the person(s) providing such Medical Services. The Guest therefore agrees that Crystal cannot guarantee the performance of such Medical Services, and that Crystal shall not be liable for losses or injuries arising therefrom. Persons or entities providing Medical Services shall be entitled to make a proper charge for any service performed for or on behalf of the Guest, and the cost of such service shall be the sole responsibility of the Guest. The Guest hereby agrees to reimburse and indemnify Crystal for any funds advanced on account of any such charges.

Crystal Cruises shall have no liability for any cost of, or incurred in connection with, medical services, or for quality or any aspect of treatment Guest receives. Guest consents to receiving treatment by medical professionals designated by Crystal Cruises, and agrees to bear the cost of such treatment, in any circumstance in which Guest is or appears unable to request or authorize medical treatment and, the Ship's officer believes medical attention is necessary (even if such belief is incorrect).

Crystal Cruises publishes and distributes a Guest List during each cruise upon request. Guests who do not wish to be included in the Guest List must so advise Crystal Cruises no later than the time of embarkation on the Ship.

Guest expressly agrees not to use any photograph, video recording or other visual or audio portrayals of Guest and/or any other Guest in combination with crew or the Ship, or depicting the Ship, its design or equipment or any part thereof whatsoever for any commercial purpose or in any media broadcast or for any other non-private use, without the express written consent of Crystal Cruises. 18. Liability Limitation for Loss of Life or Injury: A) Crystal Cruises hereby disclaims all liability to the Guest for damages for infliction of emotional distress, mental anguish or psychological injury of any kind under any circumstances, when such damages were not the result of physical injury to the Guest caused by the intentional misconduct of Crystal Cruises, not the result of the Guest having been at actual risk of physical injury where such risk was caused nor intentionally inflicted by Crystal Cruises.

B) For cruises on the Rhine and its adjacent rivers, Crystal Cruises shall be entitled to any and all liability limitations, immunities and rights applicable to it for loss of or damage to luggage and property, death, illness and/or personal injury as provided under the Strasbourg Convention on the Limitations of Liability of Owners of Inland Navigation Vessels, (1988) ("CLNI"). The Guest acknowledges awareness of such risks, assumes the responsibility to exercise reasonable care for their own safety and to be aware of such movements of the Ship.
