Discover new memories with Cunard

Does your ideal voyage consist of iconic Transatlantic Crossings and extraordinary journeys around the Canadian coast? Or are balmy mid-summer nights in the Mediterranean your dream summer escape? Maybe you've a desire to see the bustling megacities of Asia or soak in Alaska's natural beauty. Our new 2024-2026 voyages offer all of this and more. Explore the vibrancy of Barcelona, enjoy the hospitality of Helsinki on a Scandinavian adventure, or celebrate Christmas in the Caribbean and New Year's Eve sailing the mighty Pacific Ocean. Regardless of whether you envisage busy city days or relaxing escapes, your perfect holiday fantasy is within reach.

A voyage with Cunard includes so much more than just the destination, where every day on board is yours to do as little or as much as you'd like. Treat yourself to classic afternoon tea or test your brain with a pub quiz. Learn something new with our fascinating Insights speakers and cocktail masterclasses. Or simply unwind with a spa treatment or a chilled drink by the pool. However you wish to cruise, with our new voyages you'll be able to make unforgettable memories to treasure.

Where will Cunard take you next?

Queen Anne

Let us introduce you to Queen Anne, the newest addition to our fleet. With breathtaking interiors and thoughtful details throughout, there's a space to suit every mood on board.

Will you enjoy refreshing sea breezes in the Panorama Pool Club, where the live music floats gently through the air? Or stretch away your stresses in the top deck wellness studio? As for cuisine, there's everything from Cunard favourites to new dining venues to choose from. Mediterranean flavours. Pan-Asian tastes. Light options at the Wellness Café. Classic British pub fare in the Golden Lion and of course, our signature fine dining.

Enjoy much-loved Cunard signatures like our Insights speaker programme, or discover new experiences like Bright Lights Society. Here, we evoke the atmosphere of an opulent speakeasy, with live entertainment from a variety of acts. Maybe don your finery for our Gala Evening celebrations. Or for a more casual after-dark adventure, try an open-air film screening at The Pavillion. With so many possibilities, you never know what the day will bring on Queen Anne, a ship inspired by our past and built for our future.

Where nothing comes as standard

Queen Anne's interiors take inspiration from our past to define a striking new design direction for our future.

Luxury hotels. High-end yachts. Private grand residences. Fittingly, it's spaces like these that make up the portfolios of our designers' work. Having been immersed in the Cunard archives, the team have achieved something remarkable.

They've soaked Queen Anne in a thought-provoking and contemporary style, while staying true to the Cunard brand. A walk along her interiors reveals beautiful art deco finishes.

Reinterpreted fashions of the past. New and considered fine touches.

It's in the details, from every expertly crafted chair to the stories behind each piece of art on the walls. Descend into the Grand Lobby and feel every bit the hero of your own story. Notice as your Gala Evening gown catches a glint of sparkling lighting. Maybe you'd prefer a more casual evening, sinking into an inviting wingback chair you may find it difficult to leave. As always with Cunard, the choice is yours.

And then to dinner

From elegant multi-course meals to tasty pub fare, on Queen Anne there's more choice than ever, with options for even the most selective diners.

An ever-changing menu in your main restaurant. Healthy options at The Pavilion Wellness Café. What seems like an endless range of dishes at the Artisans' Foodhall.

And these are just the options included in your fare.

Not forgetting round-the-clock room service, and pub lunches at the Golden Lion, where you can enjoy a host of British classics, washed down perfectly with a signature Cunard ale. It'd be rude not to.

For an extra special night or two on board, why not choose one of the speciality restaurants? You could book a table at the Japanese restaurant, and breathe in the aroma of spices seeping out from bamboo lids, or head to the steakhouse for a cut that's been seared to perfection, or a generous platter of seafood. Enjoy tastes from all over the world, from sun-kissed Mediterranean fare to the rich and complex spice blends used in Indian cuisine.

Whatever you choose, delight in fine, flavoursome cuisine without compromise.

Queen Anne, Britannia Restaurant

A new world of flavour

Do you dream of warm nights in the Mediterranean, feasting on fish that tastes as if it had been plucked from the sea that morning?

Or hand-rolled sushi dipped in just a whisper of wasabi? Fine dining or informal. Lunchtime or late. Indulge in the signature tastes from the destinations you love with alternative dining venues on board Queen Anne.

Aranya

Warm papadams dipped into fruity chutneys. Delicately spiced sauces that flood your palate with flavour. Fluffy rice, perfumed with fragrant cardamom. Dining at Aranya is a chance to take your taste buds on a tour of India's spice regions. Travel through Goan beaches, Kerala countryside, and Delhi bazaars, and let our chefs surprise you with playful interpretations of classic Indian flavours.

Golden Lion

With real ales on tap and legendary Bloody Marys, Queen Anne's Golden Lion may soon become your new favourite local. Slide into the leather banquettes.

Pull up a stall at the bar. And feel instantly at home, with rustic but refined pub favourites, reimagined by Michelin starred chef Michel Roux.

Sir Samuel's

Steaks as marbled as the sun-streaked sky. Fruit de mer platters infused with sea flavours. Dover sole delicately deboned at your table. Sir Samuel's is a culinary coupling of land and ocean, where low lighting and velvety textures invite you to linger late into the evening and nothing (least of all the ingredients) comes as standard.

Tramonto

Sun-soaked flavours. Sparkling sea views. Find yourself transported to summer nights in Seville, Sardinia, and Sicily at Tramonto. Savour signature Mediterranean flavours. Sip locally sourced wines. Dine al fresco on the terrace. And feel the sunshine on your skin, wherever you are in the world.

Aji Wa

The hissing sizzling woks. The zing of wasabi. Spices escaping from beneath bamboo lids. Welcome to Aji Wa – a fresh take on Japanese dining and a first for Cunard. Dine on fluffy bao buns and slithers of sashimi. Experience Japanese hospitality at its best. And discover an ever-evolving menu with dishes that ebb and flow with the season.

World-class comfort

A welcome drink to help ease you into your holiday. Sumptuous cotton sheets. Soft bathrobes. A nightly turndown service. You'll soon find it's easy to get used to.

Enjoy all sorts of signature touches in each suite or stateroom, from fresh Penhaligon's toiletries, to cocktails curated in your own personal bar in a Queens Grill Suite.

This is the part of the ship you can well and truly call your own. Drift into a sense of ease, knowing that at any time of day you can return, settle in, and put your feet up for as long as you like. Pick up your holiday read. Relax in bed with a movie (or two). Why not treat yourself to a little room service?

On Queen Anne, know that all the finer details have been taken care of. All you need to do is rest easy and spend time doing whatever it is that you'd like to do, as you sail on to the next destination.

Queen Anne's hot tubs, pools, bars, al fresco eateries, and wide-open deck spaces each have their own distinct look and feel, inviting you to connect with the great outdoors like never before.

You could lose yourself in an unputdownable holiday read in the calming oasis of The Pavilion. Perhaps challenge a friend at outdoor chess, or simply cross the chequered tiles to reach the artisan gelato bar. Savour elevated ocean views from the Sky Bar or unwind to the sounds of a live band at the Panorama Pool Club.

You could take in a full lap alongside the water's edge on deck 3, find time to explore The Pavilion Wellness Studio with top deck sea views – perfect for practising yoga at sea – and enjoy the Cabana bar for holiday cocktails.

With treatments that restore, revive, and heal, a visit to Mareel® Wellness & Beauty on board is the ultimate way to feel invigorated at sea. Enjoy time to relax, free from responsibilities, as our expert masseurs elevate you to a state of oceanic bliss.

From the calming to the invigorating, our marine-based therapies ensure you always feel your best. You can even book ahead in My Cunard before you set sail, giving you the certainty of knowing this indulgence will be waiting for you.

A further haven of relaxation can be found at the Aqua Therapy Centre, where a sauna, sensory showers, and hydrotherapy pool are ready to ease away any aches. Then there's the fully equipped Fitness Centre and exercise classes, inviting you to workout wherever you are in the world.

Should you feel like a real treat, perhaps make an appointment at the barbers or salon. With beauticians, manicurists, and hair stylists waiting to look after you, you can indulge in a little pampering whenever you like.

When all the ship's a stage

With unexpected theatre like nothing else at sea, find yourself transported into another world again and again with Cunard Showcases.

When you sail with Cunard, your on board entertainment isn't only confined to the Royal Court Theatre. We also like to immerse you in the action, with our ships setting the stage for some of the most unique productions at sea.

That's why, on selected voyages, you'll find performances of a more intimate nature, delivered in places you probably wouldn't expect. We call it Cunard Showcases because that's exactly what it is: a celebration of live performance, showcased through extraordinary experiences.

Powerful dramas. Interactive theatre. Multisensory dining. This eclectic entertainment programme is the first of its kind at sea. Become utterly absorbed in a murder mystery dinner. Enjoy the impromptu acoustics of an operatic flash mob.

Be left speechless by incredible dance and physical performances you'll never forget.

When you're not captivated by the theatre that surrounds you, take the opportunity to see what goes on behind the scenes at intimate 'In conversation with' events and workshops with stage and screen talent. Who knows, you could be watching a dancer perform one night and partnering with them the next.

The evening is yours

Evenings on board offer many pleasures, not least deciding where to dine and which performance to attend. Then there's the fun of getting ready.

Many of our guests welcome the opportunity to dress for the occasion and step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available.

On Queen Anne, perhaps head to Bright Lights Society, a dazzling new show bar where you're invited to share an electric evening of wonder up close.

For West End-style performances, on each ship you'll find the Royal Court Theatre. Here, some evenings feature singers or comedians, and other times you might catch a classical drama or musical. You can even enjoy champagne in your own private box on some of our ships.

Alternatively, slow things down with the melodic sounds of a pianist serenading you as you sip the evening's cocktail, or take part in a quiz with your fellow travelling companions at the Golden Lion pub.

With so many things to do on board, the only difficult decision is what to do next.

Event Voyages

Sports legends. Award-winning authors. Master composers. Our Event Voyages invite you to sail with some of the greatest talents in gastronomy, art, and entertainment.

Celebrate the written word with likeminded literature lovers or share your passion for theatre. You'll find plenty of opportunities to mix and mingle with these special guests. Some voyages even offer you the chance to sit in on rehearsals, giving you a rare glimpse at what goes on behind the scenes.

Unforgettable performances. One-of-a-kind events. On top of the signature Cunard experiences you can always look forward to from us. All this makes an Event Voyage on a Cunard Queen a holiday like no other.

Sustainability at Cunard

Looking after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking committed action to protect the environment and invest in our communities and people to deliver positive impact – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around six key focus areas.

Protecting the environment

Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low carbon or zero-carbon emission technologies, developing and installing advanced air quality systems and partnering with organisations and stakeholders to support our decarbonisation efforts.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste.

Partnering with our destinations and communities

Sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history and natural resources.

Biodiversity & conservation

Our efforts are focused on implementing best practices across our operations, investing in programmes that support biodiversity and conservation, working with our supply chain and partnering with the communities we visit to help maintain and improve their ecosystems.

Investing in people

Good health & well-being

Our employees are at the heart of our operation, and we are working on expanding our well-being programmes to support their physical and mental health, encourage social connectivity with family and friends and promote a balanced lifestyle.

Diversity, equity & inclusion

Our success depends on the diversity, talent and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

Further information

At Cunard, and with our parent company Carnival Corporation & plc, we have committed to a number of 2030 sustainability goals and 2050 aspirations. For more information please visit: cunard.com and carnivalsustainability.com

The Transatlantic Crossing, by Cunard

A voyage across the Atlantic is as iconic today as it was in 1847, and it remains one of life's most unique travel experiences.

Enjoy a welcome opportunity to leave the everyday behind, spending each day in whatever way you please. From a morning yoga class before breakfast, to an evening performance at the Royal Court Theatre, there's always something new to experience.

Perhaps you'll indulge in our famous Afternoon Tea in the Queens Room or a flight of Cunard ales in the Golden Lion pub? You could see constellations take shape in Queen Mary 2's planetarium, listen to a live pianist in the Commodore Club or sit down to an Oscar-winning film screening - the choice is yours.

Of course, you don't have to travel to or from New York directly. Selected Transatlantic Crossings include a port call in Hamburg, Southampton, or Paris (tours from Le Havre), adding yet another wonderful dimension to this legendary ocean journey. Or you could plump for one of Queen Victoria's 2025 voyages to and from Fort Lauderdale, combining a Transatlantic Crossing with time to explore in Bermuda, the Azores, or Northern Europe.

To find out more, or to book your Transatlantic Crossing, visit: cunard.com/transatlantic

The Transatlantic Crossing, by Cunard

Westbound and Eastbound Crossings

For a classic Transatlantic Crossing, you'll fly out to New York to join Queen Mary 2 for an eastbound voyage, or travel westbound from Southampton to New York before flying home.

Roundtrip Crossings

For the ultimate experience, why not cross the Atlantic in both directions? Sailing roundtrip gives you an unlimited luggage allowance, and a day in port to explore New York or Southampton.

Alaska, by Cunard

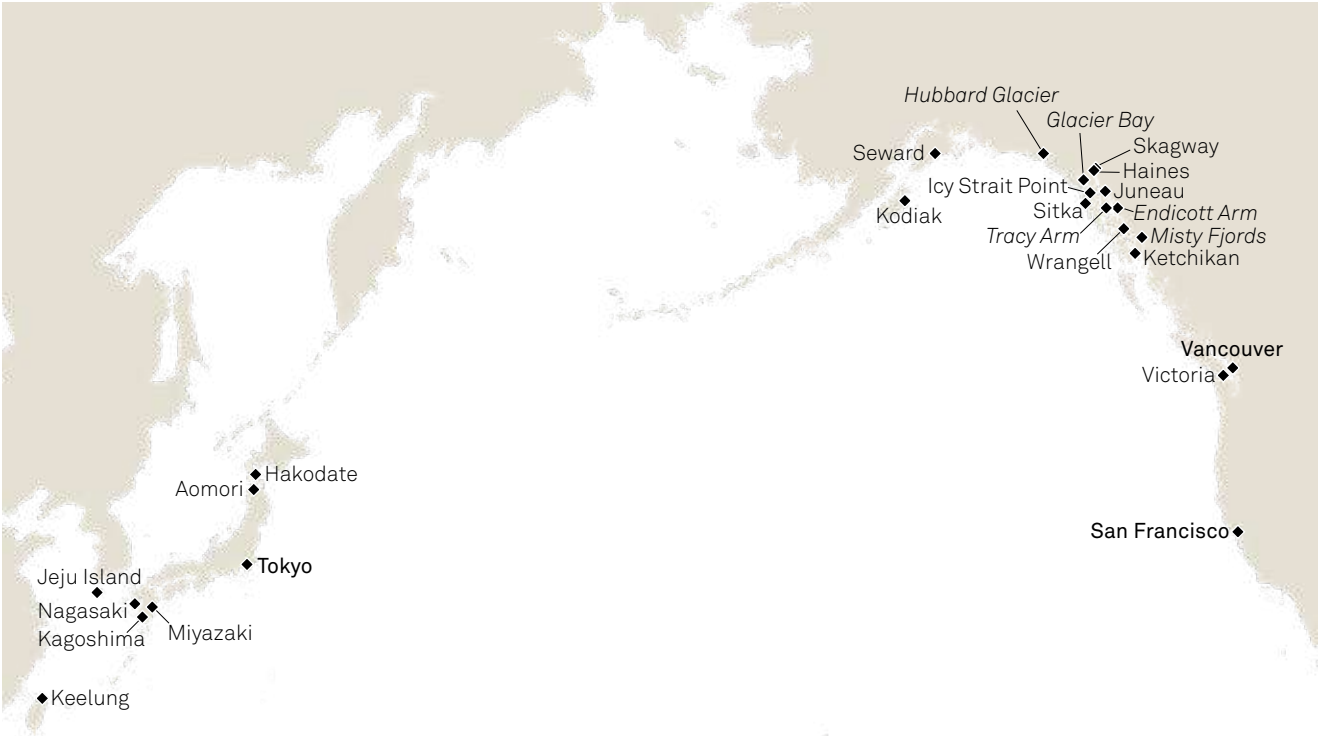

Exploring Alaska by ship is the perfect way to experience these icy northern reaches first-hand, many of which are inaccessible by air or road.

From the rainforests of Icy Strait Point to the compact charms of Skagway, a voyage through Alaska offers sights and experiences that will stay with you always. Explore frontier towns where gold prospectors once mined the icy terrain and glacier-studded fjords at the very fringes of civilisation.

Ketchikan, home to the world's largest collection of totem poles, delights with its intricately carved wooden sculptures and candy-hued houses. The state's capital, Juneau, unlocks whale-watching expeditions to see humpbacks and orcas, while cruising Glacier Bay National Park delivers spectacular scenes of tidewater glaciers backed by snow-capped mountains.

On board, naturalists illuminate the views on deck, performers provide native entertainment, and Cultural Heritage Guides reveal fascinating insights into Alaska's history. An Ice White Ball Gala Evening offers yet another experience to savour, while an Alaska twist on our signature Afternoon Tea provides the perfect treat after a day exploring.

Your dining experiences also pay homage to Alaska's great culinary legacy, featuring dishes inspired by native delicacies and ingredients of local provenance.

Northern Europe and British Isles, by Cunard

Revel in pristine scenery and strikingly beautiful cities as you explore these historic lands.

Fascinating contrasts and beguiling natural wonders provide the perfect combination for a magical holiday in Europe's northernmost nations. Journey to Iceland, home of the Golden Circle, where geothermal geysers await on tours from Reykjavík, or immerse yourself in the natural beauty of Norway's deep coastal fjords.

In the Baltics, Copenhagen's Tivoli Gardens and Tallinn's Medieval Old Town (a UNESCO World Heritage Site) are sure to enchant, while Helsinki's stunning Temppeliaukio Church provides an architectural highlight in Finland.

Norway invites you to follow in the footsteps of Vikings, with passages through waterfall-lined gullies cloaked in emerald forest. Take the funicular up Fløyen Mountain to savour the sweeping panoramic views across Bergen, stroll pretty streets lined with art nouveau buildings in Ålesund, and step between the pages of history in Trondheim's 11th-century Nidaros Cathedral.

Voyages around the British Isles offer an opportunity to retrace The Beatles' musical legacy in Liverpool. You'll also find opportunities to gaze upon breath-taking scenery on cruise-bys of the Isles of May and Skye, and delicious seafood to savour in Stornoway.

Iberia, Atlantic Coast, and Canary Islands, by Cunard

Stunning scenery, UNESCO World Heritage Sites, and glorious climates are among the temptations of these enticing voyages.

As you sail along the beautifully asperous coast of Iberia, you'll encounter a medley of fascinating ports of call including Spain's lush Galicia region from La Coruña, and Portugal's atmospheric capital Lisbon, where Queen Anne will call on her maiden voyage in 2024.

Ancient Cádiz puts you in reach of Seville's mesmerising equestrian shows, while tours from Málaga provide a gateway to the decorative arches and resplendent Moorish tiles of the Alhambra, in nearby Granada. In Gijón, the old fishermen's quarter of Cimadevilla is sure to enchant, while the 1st century Roman Theatre provides a fascinating historical highlight in Cartagena.

In the Canary Islands, Lanzarote stuns with its spectacular park at Timanfaya and Tenerife's Mount Teide cable car delivers breathtaking panoramic views, 11,500 feet above sea level. Gran Canaria brings bustling resorts and quaint fishing villages, sleepy La Palma boasts charming cobbled streets and pine forests dotted with waterfalls, while the Biosphere Reserve of Fuerteventura is your ticket to sugar-white beaches backed by towering cliffs.

Equally appealing is the 'Garden Isle' of Madeira, where Funchal's Botanical Gardens offer a medley of colours to admire.

Gran Canaria, Spain

The Caribbean, by Cunard

Immerse yourself in the glorious sunshine of the Caribbean, with the freedom to explore a new island almost every day of your holiday.

Overflowing with natural beauty, vibrant colours, and idyllic beaches, the Caribbean has long held a place in travellers' hearts. Its cuisine is also legendary, with fresh fish and fiery spices common signatures in the local dishes enjoyed across the region.

Pristine Dominica, one of the greenest islands, is a playground of natural wonders. Its stunning Morne Trois Pitons National Park a lush paradise of grottos and hot springs. St Kitts also offers much to satisfy your inner adventurer, with stunning mountain trails surrounding the island's capital Basseterre.

Sint Maarten, in the Dutch Caribbean, introduces quiet coves that are perfect for snorkelling as well as thrilling zip-lining experiences to set your pulse racing. If you're in the mood for some retail therapy, the colourful boutiques along Front Street in Philipsburg - just a stone's throw from one of Sint Maarten's best beaches - are sure to turn up a precious treasure or two.

Barbados meanwhile, offers the opportunity to explore the UNESCO-listed Garrison or the stunning stalagmite formations of Harrison's Cave. An aerial gondola ride in St Lucia's Forest Reserve will whisk you through the emerald canopies, and on St Thomas, the allure of Magens Bay's sapphire seas will prove impossible to resist.

Asia, by Cunard

For a truly sensory experience, there's nothing quite like Asia. A region synonymous with enchanting contradictions, the sights, sounds, and scents of these fascinating nations are sure to astound you.

Nowhere embodies this spirit quite so well as Singapore, where ancient shophouses offer a window into the past, and contemporary additions, such as the magical Gardens by the Bay, lend the city a futuristic feel. Savour the opportunity to step out after dark, with an overnight port call on selected voyages.

Sailing to Vietnam introduces a multi-layered melting pot of history in Ho Chi Minh City, while arriving in Chan May gives you a choice between visiting the UNESCO-listed Imperial City of Hue, or the heavenly sands of Da Nang's beaches.

Queen Elizabeth will make several Japan circumnavigations, offering the opportunity to visit Akita's sake breweries, Hiroshima's Peace Memorial Park, and maiden calls to Beppu and Sasebo. You could also enjoy time ashore in Taiwan and Busan, where Buddhist shrines and the homes of former emperors are among the sights to savour.

Be part of something special when Queen Anne sails to Asia for the first time in 2025, on her maiden World Voyage. Calls to Sri Lanka, Abu Dhabi, and Dubai are just three highlights in store, as well as Hong Kong, Vietnam, and Singapore, among others.

Hong Kong, China

Peggy's Cove (from Halifax)

USA and Canada, by Cunard

In Canada and the United States, vast landscapes and vibrant cities offer a glimpse into the legacies of man and Mother Nature.

With iconic sights that never fail to impress, New York is always a compelling port of call on a USA and Canada voyage. Then there’s laidback Boston, famed for its links to the American Revolution, which you can learn about in the city’s famous Freedom Trail.

Away from these iconic cities, you’ll discover New England’s gorgeous beaches and characterful coastline. Calling at Rockland, meanwhile, introduces a creative blend of galleries, shops, and farm-to-table restaurants, the likes of which are highly acclaimed.

In Canada, a woodland hike among Nova Scotia’s pine trees from Sydney offers a lovely way to while away an afternoon. The same is true of the historic warehouses and star-shaped Citadel in Halifax. Sept-Îles will astonish with its stunning scenery and rich Innu culture, while Saguenay (one of the best places in the world for whale-watching) reveals a majestic fjord and picturesque villages.

Canada’s crowning glory, however, must be the beautiful walled city of Québec. Brimming with French culture, entering its magical old town (a UNESCO World Heritage Site) feels nothing short of taking a step back in time.

Mediterranean, by Cunard

Embark on your Mediterranean adventure directly from Southampton or soak-up this magical region's many highlights on a Fly-Cruise.

Home to some of the oldest cities in the world, the rich history of the Mediterranean is beyond compare. Walk in the footsteps of gladiators, explore ancient archaeological sites, and revel in the tranquillity of islands where life seems to move at an altogether slower pace.

Enjoy an overnight stay in Istanbul, perhaps sipping on rich Turkish coffee and getting lost in bazaars filled with colourful pottery. Nestled in eastern Italy, close to the border with Slovenia, Trieste brings a chance to explore Italian, Slovenian, and Austro-Hungarian influences, especially in the medieval old city. Explore ancient Roman ruins in Croatia, and gaze in awe at Gaudi's unmissable Sagrada Familia in Barcelona, the spires of which are an iconic sight on the city's skyline.

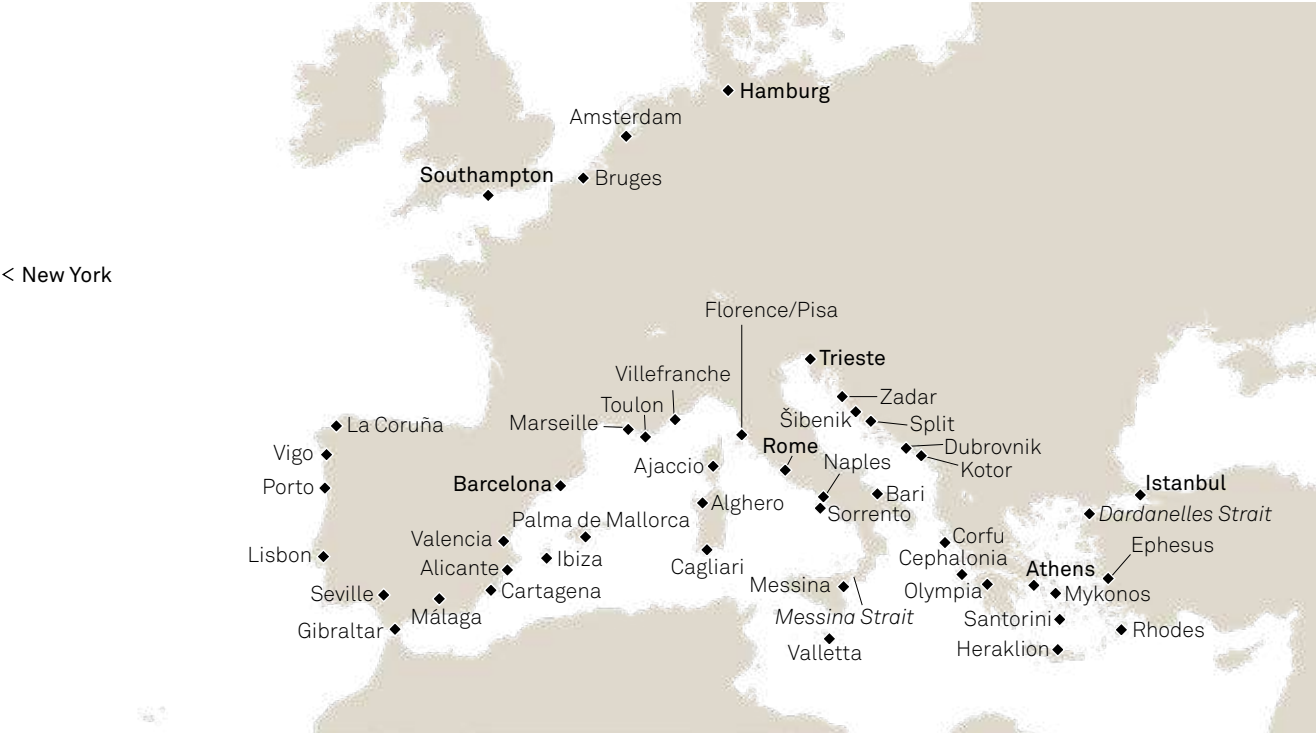

Discover delicious cuisine, stately historic architecture and an incredible beach in Bari. Meanwhile Naples brings the wonders of Pompeii, and Pisa's leaning tower is easily accessed on a tour from Livorno.

Selected voyages also offer the opportunity to transit the Messina Strait or stop in Cagliari to admire its beautiful hilltop Castello. Then of course there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where the sea seems to glint an otherworldly shade of blue.

These, together with the Balearic Islands of Mallorca and Ibiza, are sure to inspire lasting holiday memories.

Santorini, Greece

Short cruises, by Cunard

Escape it all (if only for a few days) with time to enjoy the things you love the most, complemented by a dash of exploring.

With sea days to spend however you please and port calls in one or more destinations, a short voyage offers all the ingredients for a perfect mini-break. Relax in bubbly whirlpools, lay back on expansive sun decks, and enjoy entertainment that lasts late into the evening.

Many short voyages call into Zeebrugge, gateway to the medieval architecture and cobbled streets of Bruges. Navigated by horse-drawn carriage, this quaint city exudes a sense of wonder. You'll find the local beer and chocolates hard to resist, while the Christmas market is one of Europe's best.

Hamburg is an equally interesting destination, with excellent shopping and a joy-inspiring miniatures museum. Its must-see attractions include the city's neo-renaissance townhall, with its courtyard resembling an Italian piazza, and Hamburger Kunsthalle, where you can see over seven centuries of world art.

The Baltic city of Kiel, gateway to historic Lubeck, seduces with its attractive old town and maritime museum. Rotterdam offers canal-side shopping and bold architecture, and Amsterdam introduces gabled buildings alongside galleries dedicated to Dutch masters.

Calling at Le Havre, meanwhile, unlocks the Eiffel Tower on a tour to Paris, and Cherbourg brings opportunities to visit Mont-Saint-Michel or explore Normandy's wartime history.

Cruise Connections

Cruise Connections is our way of getting you to your ship and home again with minimum hassle and maximum value. Simply choose exactly how you want to travel. It really couldn't be easier to connect with your cruise.

Coach transfers

Our coach services link UK regions directly with the terminal at Southampton. Once your labelled luggage is put on the coach, the next time you see it will be in your stateroom. The coaches are modern, air-conditioned, and non-smoking with comfortable seating and WCs. They also make regular stops so you can stretch your legs.

Coach bookings can be made 72 hours after your cruise is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book, please go online at intercruises.com/cruiseconnect, call Intercruises on 0344 33 88 690 or email cruiseconnect@intercruises.com and quote your booking reference number.

Valet car parking at Southampton

If you choose to drive to the terminal, you will be directed to the drop-off point for your vehicle, where you can unload your luggage before your parking representative takes your vehicle to a secure car park. After disembarking, your car will be delivered to the terminal for collection.

Car park bookings can be made 72 hours after your cruise is booked and must be made no later than 10 days in advance of the cruise departure date.

For full details and to book please go online at cruiseparking.co.uk or call CPS on 0345 071 3939 and quote your booking reference.

Chauffeur services

A private chauffeur-driven car can be arranged for those guests who wish to be transferred directly from home to the port or airport.

For fares and details of how to book, please contact Intercruises by email at cruiseconnect@intercruises.com or call 0344 33 88 690 and quote 'Cunard Cruise Connect'.

Whether you're travelling on one of our short cruises to Hamburg, experiencing one of our glamorous Transatlantic Crossings, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You can make the most of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your Fly-Cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport, and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300*.

Upgrade your flight

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date

We can also help if you'd like to extend your holiday, either before or after your cruise.

Whether you choose to book a hotel stay through Cunard, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred flight dates when you book your cruise, or at least before the balance due date for your holiday.

Please note that should you decide to explore a destination independently, and we have provided your flights, you will need to make your own way to or from the ship on the day of embarkation/disembarkation and, depending on the flights you choose, additional charges may apply.

Regions of the World and Grand Voyages, by Cunard

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300*.

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation, in which case hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a Land Tour or hotel stay through Cunard, we can help to enhance your journey.

Add another destination

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your cruise.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your cruise finishes in Auckland why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Seattle before joining your ship in Vancouver.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300*.

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

- ◆ Unfortunately, Cunard cannot accept any child under the age of 6 months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Grand Voyages, or Transatlantic Crossings.

Single Staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement as follows:

- ◆ Grades A1, A2, BB, BC, BD, BE, BF, DB, DC, EA, EB, EC, EE, EF, IA, IB, IC, ID, IE, IF – 175% of the per person fare.

Please note that the percentage of the sole occupancy supplement may be increased without prior notification.

Stateroom changes

Occasionally it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at the discretion of Cunard. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is because we know from experience that a small number of guests will be compelled to cancel their arrangements, thus leaving the accommodation vacant.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate a stateroom number, you can rest assured you will be given a stateroom of the type you have booked, or in some instances, of a higher grade, though it may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

Bar and wine services

A 15% service charge is automatically added to your on board account, which is shared amongst the beverage team. Naturally, you are free to reward any member of the crew over and above these amounts, at your discretion.

Spa and salon services

For your convenience a 15% service charge will be added to your account. However, should you wish to remove, reduce, or increase the amount, please make this request during check out.

Travel information

Your travel agent will be able to tell you if there is any current advice for the countries you are visiting. Alternatively, you can visit the Foreign and Commonwealth Office website at www.gov.uk/foreign-travel-advice.

The information in this section is for holders of British Citizen passports only and is correct at the time of going to print.

Anyone who does not hold a British Citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

Passports

If you are a British Citizen, a full passport is required for all voyages. All British Passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have some blank pages in your passport for entry and exit stamps. All British Citizens over the age of 16 require a full 10-year British Passport for all voyages. Children need their own passports. It is important that names and initials on the passport exactly match those on your boarding passes.

For voyages including EU (or Schengen area) ports your passport must be:

- ♦ Issued less than 10 years from the cruise embarkation date. If we have arranged flights for you as part of your booking, the cruise embarkation date shall mean the date of departure of your outgoing flight.
- ♦ Valid for at least three months, by the voyage disembarkation date, (regardless of whether or not the passport has an extension period).

For up to date passport information please visit cunard.com/passports

Please note that British Visitor Passports are no longer valid. British Subject passport holder requirements may differ so please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British Citizen passport, you may be required to attend interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports. For further information, please contact the Identity and Passport Service Advice Line on

0300 2220 000, visit the website at direct.gov.uk or email: info@passports.gov.uk.

If you DO NOT HOLD A BRITISH CITIZEN PASSPORT, your passport, travel documentation, and visa requirements may be different. You should check with your travel agent or our preferred visa supplier, CIBT (0845 899 7256), to ensure you have the correct documentation.

Visas

The visa advice included in this brochure is applicable to voyages featured in this brochure only and for British Citizen passport holders only. If you do not hold a British Citizen passport your situation may be different and you should seek advice from your travel agent or the relevant Embassy/Consulate.

Your passport must contain adequate blank pages for any visas and subsequent stamps. We suggest that you bring a few photocopies of the photograph/personal details page of your passport with you. This may be necessary for some ports of call.

Canada

Nationals of Visa Waiver Program (VWP) countries may enter Canada without a visa after completing an Electronic Travel Application (eTA). To check if this applies to you and/or to apply for an eTA please visit: www.cic.gc.ca/english/visit/apply-how.asp

Egypt

For British Citizens, Irish Citizens, US, Canadian, and European Community passport holders, a Quick Stamp visa for Egypt will be issued upon the ship's arrival in Egypt. Therefore you are not required to obtain an Egyptian visa in advance of your cruise. There is currently no charge for the Quick Stamp Egyptian visa.

Hong Kong

A visa is not required for entry into Hong Kong.

New Zealand ETA

International travellers, who are Visa Waiver nationals, may enter New Zealand without a visa after obtaining an approved New Zealand Electronic Travel Authority (NZeTA). Please note that all guests travelling with an NZeTA must present a print out of a successful NZeTA application at check in. Obtaining NZeTA approval, for most travellers, is simple and easy. To apply for your NZeTA, please follow this link to the NZeTA application website <https://www.etanewzealand.com/>. The cost of obtaining an NZeTA is currently NZ\$12.00 (however this is subject to change at any time) and payable during the application process using a credit or debit card.

Approved NZeTA applications are valid for a period of two years or until the passport expires, whichever comes first, and multiple trips to New Zealand are permitted without

the traveller having to reapply for another NZeTA. When applying for your NZeTA, a tourism levy of NZ\$35 must also be paid, which is valid for the same length of time as the NZeTA.

Indonesia/Jordan/Oman/Papua New Guinea/United Arab Emirates/Vietnam

Visas for these countries will need to be purchased and can be obtained on board. The relevant fee will be charged to your on board account.

South Africa

Guests are required to have two fully blank pages in their passports. If travelling with children please contact the South Africa High Commission for information on 020 7451 7299.

Schengen Visa information

Non-European and Non-EU passport holders may require a Schengen Visa for entry into Continental Europe. The United Kingdom is not a Schengen State member. British Citizen passport holders do not require a Schengen Visa.

Non-European Passport holders may be required to complete ETIAS (European Travel Information and Authorization System).

Schengen State members are: Austria, Belgium, Croatia, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland.

Please note that it is your responsibility to have a valid passport and the appropriate visas for your journey.

Travel health information

Vaccinations

Vaccination requirements vary by destination and change from time to time. We recommend that you seek advice from your medical practitioner or travel medicine clinic at least six weeks before your cruise. You should discuss your personal travel plans in order to obtain appropriate advice and any recommended prophylactic medication and vaccinations prior to travel. It is your responsibility to have with you any necessary health certificates. Please check below for mandatory requirements. The seasonal influenza vaccination is

recommended for all guests; you should speak to your GP about receiving the flu vaccine before you travel. The health and well-being of all our guests is important to us. You will find further travel health advice on the UK government funded website at www.travelhealthpro.org.uk

Covid-19

Please check cunard.com for the latest information regarding travel requirements concerning COVID-19.

Yellow Fever

The following cruises have a Yellow Fever Vaccination Requirement:

Queen Victoria

V505 6th – 25th February 2025

V506 25th February – 14th March 2025

A valid International Certificate of Vaccination is required for the above cruises and evidence of vaccination must be taken to the ship. This needs to be the original certificate which must be fully completed, signed and stamped by a Medical Practitioner.

The vaccination must be given 10 days before entering a yellow fever area in order for it to be effective and valid.

If yellow fever vaccination is contraindicated for medical reasons an exemption can be issued by your Medical Practitioner and this must be brought with you to the ship. Local Port Health Officials will then decide if a vaccination waiver can be issued.

The exemption should be either detailed in a headed letter or recorded in the International Certificate of Vaccination. It should be signed by the clinician and include the Practice stamp.

Guests without the correct documentation will be denied boarding.

Cruise V504 21st January 2025 – 6th February 2025 to Brazil does not have a mandated Yellow Fever vaccination requirement, however, both the World Health Organization and Public Health England strongly recommend a Yellow Fever Vaccination for travel to Brazil. If your cruise calls in Brazil, we would advise you to discuss your travel plans with a medical practitioner or travel clinic prior to sailing. Yellow Fever requirements are updated regularly and we will advise you of any changes that will affect your voyage. You can also find further information on the

government funded website www.travelhealthpro.org.uk

Polio

For certain nationalities there is a requirement to provide evidence of having had a Polio vaccination in the four weeks to twelve months prior to visiting the following countries: Qatar, Oman, Jordan, and Egypt. This requirement is in place for nationals of Polio exporting countries including but not limited to: Afghanistan, Nigeria, Pakistan, and Philippines. This list is subject to change so please discuss with your medical practitioner or travel medicine clinic at least 6 weeks prior to your planned cruise.

Malaria

Guests are strongly recommended to visit their medical practitioner, or travel medicine clinic, to discuss their personal travel plans. Please take a copy of your itinerary, including pre/post voyage travel, with you so a full risk assessment can be made, and the appropriate malaria prevention advice given.

United Arab Emirates/Japan drug warning

Please be aware that some prescriptions, over the counter drugs, complementary therapies, and other medicines that are purchased in the UK may be illegal in the United Arab Emirates and are therefore banned in the country. Japan also has rules regarding such medication. Codeine, for example, is banned and no products containing codeine, which may include paracetamol, may be imported or sold in the United Arab Emirates. An Import Certificate from the Japanese Authorities would be required in order to take such products into Japan. Penalties can be severe if banned substances are found when entering these countries.

If you are taking medication and are in any doubt then please contact United Arab Emirates London Embassy Medical Department on + 44 (0) 207 486 6281, or the Japanese Embassy on +44 (0) 207 465 6500 prior to your arrival. You may also check for further information at www.fco.gov.uk.

Anyone travelling with medications and/or syringes to any country should carry a prescription with them. All medications should be kept in their labelled dispensing bottles or packages. If the medications are "controlled" or injectable drugs, it is also advisable to carry a doctor's letter.

Required hotel stays

Cunard can arrange flights and transfers for you to join your ship when you purchase a Holiday package Add on. Where the included flight timings necessitate a pre-/post-cruise overnight stay, Cunard will include a hotel room at the international port of embarkation/ disembarkation for the night before or after your cruise.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the cruise Booking Conditions on pages 172–175. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before or after a long flight. If you wish to have time to explore your city of embarkation/disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages, or land tours, on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

International flight arrangements

If you have booked a flight through Cunard, this will be in economy class flights from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by cruise and date of booking, and supplements will apply to other departure airports.

For details of how we can tailor your flights, please see page 137.

Baggage allowance

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com, after the time of booking. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airlines' baggage restrictions.

All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- a) Flights will not necessarily be direct or non-stop. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but will inform you of any changes.
- b) Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- c) When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- d) We will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. Therefore you may have to transfer, under your own arrangements, between London airports. For Québec, Québec or Montreal may be used.
- e) Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our medical and mobility questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- f) In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry an electrical mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- g) When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.

- h) Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- i) For long haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- j) Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
- k) To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
- l) If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket, as our transfers will not be included. You will need to make your own transfer arrangements between the airport and the ship.

Transatlantic Crossings

- ♦ One-way Transatlantic Crossing voyages, will require the purchase of a flight. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver fare.
- ♦ We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- ♦ If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

Regional departures – please note:

- a) The regional flight supplement is in addition to any Cunard Fare.
- b) Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided and any regional supplement will be refunded in full.

- c) Regional flights will not necessarily be direct or non-stop.
- d) If a same day connection is not possible, the cost of any overnight accommodation will be at your own expense.
- e) Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
- f) If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
- g) Transfers between London airports are not included.

Carriage of dogs

Cunard can accommodate service dogs on certain voyages, depending on the itinerary and according to UK quarantine regulations. Please ensure you contact us prior to booking to ensure your chosen cruise is suitable. Service dogs are accommodated in staterooms with their owners.

Non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship. For all dogs, it is

your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the DEFRA website at defra.gov.uk for further details.

Environmental statement

At Cunard, we take our environmental responsibilities very seriously and are committed to reducing our environmental impact.

We are dedicated to preserving the marine environment in which we operate, and therefore believe it is our duty to introduce environmental practices, which set a high standard of excellence and responsibility. To support our aim we have developed an environmental management system independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance.

We recognise that without appropriate treatment the waste generated on board our ships, together with the fuel and other products we use to transport, feed, entertain, and take care of you, could have an impact on the environment. Our waste treatment facilities ensure that all waste water is appropriately managed to minimise its impact upon the oceans. All general waste is treated on board to reduce its volume prior to landing ashore, and wherever possible general waste is

recycled. We are reducing our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat, and improved efficiency in air conditioning, and we continue to explore new technologies. To help us meet this aim we have an externally certified Energy Management System certified to ISO 50001.

Through these measures and other initiatives Cunard will ensure that we help preserve our environment for future generations.

What's included in my fare?

See page 46 for details.

What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 – pages 142, 143–145
Queen Victoria – pages 142, 146–148
Queen Elizabeth – pages 142, 149–151
Queen Anne – pages 142, 152–154

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts, or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic way to watch the ever-changing views.

What is a hotel and dining service charge?

During your voyage, you will meet many members of our team who will provide excellent service all over the ship. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account. Every dollar collected will be shared among all those people who help provide and support your voyage experience, including the restaurant and buffet waiters, your stateroom steward, and accommodation personnel. For the latest information regarding service charges, visit [cunard.com/service-charges](https://www.cunard.com/service-charges)

Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

Bar, wine, casino, and spa personnel do not share in the hotel and dining service charge as not all guests use these services.

What is the currency on board and how do I pay for items I buy?

The currency on board all our ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage card. Our ships do not accept cash, except at the Purser's Office for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted onto your account you will need to register your credit card via online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash, please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

How do I register my credit card?

You will be able to register your credit card via our online check-in website, My Cunard or before boarding the ship in the terminal. All credit card details are encrypted.

We accept the following major cards, Visa Credit, Visa Debit, MasterCard, American Express, Diners Club, and Discover. We are unable to accept Solo, Maestro, Switch, Monzo, Revolut and any pre-paid or multi-currency credit cards.

How can I avoid issues with my credit card?

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a

security alert and your card being referred.

When you register a credit or debit card to cover your on board spending, an amount of US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured US\$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 26 nights your credit card will be charged during the cruise and at the end. You will be notified of the date your card will be charged shortly after you embark. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. This particularly happens if you register a different card during your cruise. You may therefore want to contact your card provider on your return to release these authorisations.

When will I receive my boarding pass and itinerary information?

Approximately 35 days prior to your departure date, your electronic documentation will be available through My Cunard at [cunard.com](https://www.cunard.com). This includes information relating to any hotel stays or land tours booked.

How will I know which Shore Experiences are available?

What if I feel seasick?

Don't worry – your ship's doctor is always on hand with a remedy. Seasickness is best countered with an injection or tablets, which should soon have you feeling well again and settle you for the duration of your stay on board.

Is there enough to do during days at sea?

Yes, plenty. You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes, to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening the next day.

Booking Assistance

Why do I need to complete an Accessibility and Medical Questionnaire for every cruise?

We require a questionnaire to be completed for each cruise you travel on to ensure that we have the most accurate and up to date information, we understand circumstance can change therefore it is important for this to be completed.

If you have not yet received an accessibility and medical questionnaire you can request this via our Customer Contact Centre (local call charges apply) or your travel agent.

How can I book assistance to embark and disembark the ship in Southampton?

All our Southampton cruise terminals are fully accessible for mobility scooter and wheelchair guests. They feature lifts, a dedicated check-in, accessible toilet facilities and high level linked walkways. Wheelchair or arm assistance is provided during embarkation and disembarkation for guests with disabilities or guests with reduced mobility.

We would kindly request that you let us know as soon as possible, and at least 48 hours prior to embarkation, should you require assistance. Please note that assistance will start once you enter the terminal building and our mobility assistance team do not offer assistance with hand luggage, please ensure that your hand luggage is kept to a minimum and can be managed between the wheelchair user and their companion.

There are no restrictions when taking medication and sharps through in hand luggage at check-in at Southampton.

Requesting wheelchair assistance

We would kindly request that you let us know in advance if you require assistance by completing a Mobility Questionnaire. Guests will be asked to wait in turn for assistance to embark and disembark the ship and given the number of requests made for assistance your allotted time may differ. Wheelchair assistance is only available in Southampton.

If you are requesting assistance to embark the ship then you will also be required to book assistance in the event of an emergency.

If you have not yet received a medical/disability questionnaire you can request this via our Customer Contact Centre (local call charges apply), or your travel agent.

Scooter Policy

Is your scooter policy compliant with all applicable legislation?

Yes - our policies and procedures comply with all applicable ship safety and disability/equality legislation, including the EU Passenger Rights Regulation. We aim to offer our services to all disabled persons or persons with reduced mobility subject to applicable safety requirements and within the parameters of each ship design, port infrastructure and equipment.

Adapted Staterooms

Can an able bodied guest book an accessible cabin?

Accessible cabins can only be booked by guests who have a requirement for the adapted facilities. For example, this may be a need for a walk in shower and grab rails in the bathroom, or larger floor space to manoeuvre a wheelchair or safely store a mobility scooter.

If accessible cabins are available within 21 days of a departure, they can be offered for general sale and available for all guests to book.

Can I book an adapted cabin if I have a disability that does not require the use of a wheelchair or mobility scooter?

Any guest who has a requirement for the facilities is welcome to book an accessible cabin. Examples of this could be a wet room with no steps or a larger floor space to store a mobility scooter or manoeuvre in a wheelchair.

Guests who do not require the use of the facilities should not book an accessible cabin.

If a guest books into an accessible cabin without a need for any of the adapted facilities, we reserve the right to request that the guest moves. This may be at additional cost if moved to a cabin in a higher category.

Children with disabilities

Do you cater for children with disabilities in the children's clubs?

We encourage all children to use our fantastic children's facilities, but we are unable to provide one-on-one support or care. If the child requires such assistance, a parent or carer will need to be present with them at all times.

If your child has a disability and would like to take part in our activity programme, please ensure you provide a full account of your child's needs when registering your child and speak with our Youth Team to arrange a chat with our Youth Manager when on board. We can then do our best to make sure they have a fun and safe holiday.

Getting ashore

When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at some ports of call. Staff will be able to provide wheelchair or arm assistance from the top to the bottom of the gangway only where safe to do so. Guests must make their own way to/from the terminal/shuttle bus/tour buses etc. Please note if your shore excursions are operated by minibus, there will be no storage space for mobility scooters or wheelchairs. We are unable to offer wheelchair access to go ashore in tender ports. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle, Lisbon, Zeebrugge, Malaga, Cadiz, Madeira, Rotterdam, Hamburg, Boston, Halifax, Portland, Quebec and San Francisco. This policy is in the interest of guest safety.

You can find the full range of Shore Experiences on My Cunard, by logging in once you have booked your voyage using your booking reference. We would strongly advise you to read the descriptions to make sure that your chosen experience is suitable for your personal requirements. We use our best efforts to obtain appropriate transport, although it is not always possible for us to secure fully accessible vehicles. Please note that – due to applicable safety requirements, the design of the ship, or port infrastructure and equipment – in certain ports of call, it may not be possible for us to offer a shore experience programme suitable for guests who are not able to board a coach via the steps. Please be aware that in consideration of health and safety, tour providers/coach operators reserve the right to refuse carriage to any guest who is unable to negotiate the steps of the coach independently*. Taxis are usually available for hire close to the ship's berth, should guests wish to travel independently**.

bear in mind when you are packing that the weight of an individual piece of luggage must not exceed 23kg to ensure safe handling. If each individual piece of luggage exceeds 23kg you will be delayed at embarkation and may be asked to remove items or re-pack your bags. You may also find that your luggage is delayed at disembarkation if any of your bags exceed this limit.

On voyages involving flights, baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at [cunard.com](#). While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

If I wish to stay in Southampton the night before or after my cruise, can you suggest a hotel?

Yes, we have negotiated special rates on your behalf at the DoubleTree by Hilton Southampton hotel, and our new Flagship hotel, Southampton Harbour Hotel & Spa. You'll find details on [cunard.com](#).

Guests arriving by private car should be dropped off with luggage at the terminal curb side before proceeding to either the on-site or off-site parking. Upon entering the terminal, guests will be directed towards the security, guest screening, and check-in area.

Can I send my luggage in advance?

Yes, you can in a selection of popular ports around the world*. Cunard's White Star Luggage Service is the perfect alternative to transporting your own luggage and is also the perfect option for those who choose to extend their travels pre- or post voyage.

Please search White Star Luggage Service at [cunard.com](#) or phone our team on 033 0808 1294*.

What about flight details?

We may not know exact details of your flights at the time of going to press, or at the time of booking. However, your flights will be on scheduled flights or recognised charter airlines (operated under Cunard's CAA ATOL Licence number 6294). Please see pages 136–137 for details. Once your flights have been confirmed you will be able to view the details on My Cunard at [cunard.com](#).

What happens to my luggage at the end of the cruise?

On your final night on board, you will be asked to pack your luggage and leave it outside your stateroom. We recommend that you do not pack valuables, fragile items, or medication.

On the morning of disembarkation, after you have come through Customs, your luggage will be waiting in the cruise terminal for you to identify and reclaim. In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

After retrieving your luggage and exiting the terminal building, you will be directed to awaiting coaches, taxis/executive cars, and car parking. Guests with cars may first retrieve their car and then pick-up luggage and fellow travellers. If you have purchased a Cunard ship-to-airport transfer or hotel stay, you will be directed by uniformed Cunard representatives to the transfer departure point. If your friends or relations are meeting you at the terminal, please be advised that disembarkation may take up to four hours after the scheduled arrival of the ship, in order to clear immigration and customs formalities. Disembarkation generally takes

place between 8.00am and 11.00am.

During voyages coinciding with a major religious holiday, ecumenical clergy will be on board to conduct services.

How can I keep in touch with people?

All staterooms have direct-dial telephones. Our ships are equipped with an advanced wireless network, which allows guests to use their mobile phones when the ship is at sea. This international roaming service is enabled by and charged via your home operator, who can also provide you with exact rates. You can then use your phone as you would at home.

What is the smoking policy on board?

The safety, comfort, and enjoyment of all our guests has always been a key concern at Cunard. With this in mind, as a direct result of the feedback we have received from our guests, we have amended our policy with regard to smoking on board Cunard ships as follows:

All public and private spaces on board (with the exception of your ship’s designated smoking area) are non-smoking. This includes pool areas, restaurants, and outdoor dining venues, as well as in staterooms and on balconies. Only cigar and pipe smokers are permitted to smoke in Churchill’s Cigar Lounge.

Electronic cigarettes and vape devices, including those that do not emit smoke, are only permitted in your ship’s designated smoking area. You can find the smoking

area’s location in the ship board services folder in your stateroom and clearly signposted on deck. Some countries have strict rules around the use of electronic cigarettes, please visit the Foreign Office website for information.

Do you use security cameras on board?

Cunard may operate closed circuit television (CCTV) in certain areas on board the ship during your cruise.

What happens if I am unwell?

Each ship has a Medical Centre on board, supported by fully qualified doctors. We are proud to be able to say that all of our medical centres are accredited by CHKS and certified to ISO9001:2015.

Although we hope none of our guests become ill, please note that medical and repatriation expenses in countries such as the United States can be substantial, and this is why we insist upon all guests having valid insurance to cover such costs. If you happen to be taken ill whilst cruising with us and your condition were so serious that we needed to get you to shore, you would be placed into the care of our port agents, and a member of our shoreside team would stay in contact with you and provide support if required. Please note, however, that all medical services on board are charged for, and that it is a condition of the contract that you have travel insurance to cover you for medical costs you may incur.

How do I settle my final bill on board?

If you have a credit card registered, all you need to do is to check your final statement on the morning of disembarkation. If you are happy with your account you need take no further action. The final amount will be settled to your registered credit card.

If you choose to settle your account with cash and you have a credit card registered, you should call at the Purser’s Office no later than 6.00pm the day prior to disembarkation. Cash cannot be refunded to a credit card therefore failure to remove your credit card, will result in a cash balance on your account on the morning of disembarkation. You will then need to call at the Purser’s Office to collect this cash credit.

For those guests who are travelling on a World Voyage, your account will be settled several times during your stay on board. For guests who travel on two or more consecutive voyages, your account will be settled at the end of each cruise. These settlement dates will be advised when you are on board.

You may choose to settle your account with cash; however a credit card should still be registered. If using cash, the account must be kept in credit at all times and there are limits on the amount of cash that can be deposited

on your account, which vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship’s currency) and these transactions must be settled using your registered card.

Please note that, as part of the fight against terrorism, international crime and money laundering, EU regulations require all guests entering or leaving the European Union with €10,000 or more in cash (or its equivalent in other currencies or easily convertible assets – e.g. bonds, shares, traveller’s cheques, etc.) to declare the sum to the customs authorities of the Member State which he/she is entering or leaving. If you are likely to need to make a declaration under this regulation please contact the HM Revenue & Customs National Advice Service on 0845 010 9000 or visit www.hmrc.gov.uk for further information on how to comply.

Please note we do not accept Solo, Maestro, Switch, Monzo, Revolut and any pre-paid or multi-currency credit cards, personal cheques or travellers cheques. We are also unable to accept €500 notes at any time; this includes at the Casino.

What children’s programmes do you offer?

Our ships are excellent family destinations, because we offer a range of entertainment and activities for children, all of which are tailored to suit specific age groups. Our children’s clubs – The Play Zone, The Kids Zone, and The Teen Zone – are complimentary, and offer the peace of mind of knowing that your children are well looked after and can socialise with other young people.

These clubs are open on a daily basis and feature secure entry systems to allow authorised entry. There are ‘check in’ and ‘check out’ procedures for the 6 months-12 year olds, including a registration form, which must be completed for every child before they attend the programme. We recommend registering for this service on My Cunard before your holiday. Registration is available here from 15 days before you join. Our children’s programmes are exclusively for

younger guests aged 2-17 years. Parents/ Guardians may drop their children off in the children’s facilities to be cared for by our Youth Team, who have extensive experience of planning and facilitating activities for 2-17 year olds, and hold an enhanced DBS check. Children aged between 6 months and 2 years are welcome to use the children’s facilities, when available, provided they are accompanied by a parent/guardian. On selected ships a designated venue will be available for children aged 6 months to 2 years and their families to enjoy.

Please note that children in nappies, swim nappies, pull ups, or who are not completely toilet trained, are not permitted in the pools or whirlpools.

A children’s activity programme will be delivered to the stateroom of all our younger guests on the day of embarkation. This will feature details of specific activities during the voyage, which will include entertaining themed days. Access to the children’s facilities is on a first come, first served basis and sessions can be booked from 08.30 for the following day through via My Voyage when on board.

Some ports of call are for a half day, which will usually be a minimum of four hours and a maximum of seven hours. Times will vary according to the cruise and port. Late evening departures, shown with an ^{LE} on the itinerary, will leave port on or after 9.00pm. For full itineraries and port times please visit [cunard.com](#).

Please note that the timings are guidelines only and the actual times may vary. Details of the estimated times of arrival and departure will be provided on board.

Cancellations and refunds

You may cancel or amend the majority of reserved experiences at no cost online through My Cunard or by phoning Reservations up to 3 days in advance of sailing. There may, however, be Shore Experiences that are non-refundable or incur a cancellation penalty, or have an earlier cancellation deadline; details of this will be contained in the tour description.

(i) Pre-paid Shore Experience bookings

Once on board, if you wish to cancel your Shore Experiences before the cancellation deadline (generally 48 hours prior to the arrival in port) a 10% cancellation fee will be applied to your on board account and the full amount paid will be refunded to your original credit/debit card. We regret that we are unable to refund the cost of experiences that are cancelled by guests after the cancellation deadline. If you do wish to cancel your Shore Experience after the cancellation deadline, we will credit the original credit /debit card with the full amount paid, however a 100% cancellation fee will be posted to your on board account. In order to process any cancellations, tickets must be returned to the on board Tour Office.

(ii) Shore Experience bookings made on board

If you wish to cancel your shore experience before the cancellation deadline (generally 48 hours prior to the arrival in port) you should return your tickets to the Tour Office, where a 10% cancellation fee will be applied to your on board account. We regret that we are unable to refund the cost of experiences booked on board that are cancelled by guests after the cancellation deadline.

Your Shore Experiences team

With a dedicated team on board, you can book or discuss Shore Experiences throughout your voyage. Knowledgeable and well-experienced, they can recommend tours, answer questions, and take care of all the details for you.

Local expert guides

All Cunard guides possess a wealth of local knowledge. By sharing their expert insights, you'll get a more thorough understanding of the destinations you visit, and find your experiences more rewarding and inspiring.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol ^A or ^{PA}. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. If you use a wheelchair or a mobility scooter, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/mobility scooter and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or mobility scooter weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on

the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown with the port in brackets, e.g. Rome (tours from Civitavecchia). At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service, or a city transfer service.

With Cunard Fares, shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

Can I get foreign currency on board?

You may exchange your money into local currency for most ports of call, however there are certain ports for which the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit card registered, or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (US\$500 per day with a maximum US\$2,500 per seven consecutive days, and a maximum of US\$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or traveller's cheques. We are also unable to accept €500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of US\$500; a US\$2,500 limit per seven consecutive days; and a US\$10,000 limit per 30 consecutive days; against a registered credit card.

Therefore, you will benefit from all UK rights applying to packages. Cunard will be fully responsible for the proper performance of the Package as a whole. Additionally, as required by law, Cunard has protection in place to refund your payments and, where transport is included in the Package, to ensure your repatriation in the event that it becomes insolvent.
- By making a booking, the Passenger confirms that all persons named in the booking including Minors and persons under disability (and their personal representatives) have agreed to be bound by these Conditions and all other terms of the Contract, and that he/she has their authority to do so on their behalf and that all details provided for all Passengers named in the booking are correct. When a Passenger makes a booking on behalf of other Passengers, Cunard shall collect details for all Passengers named in the booking from the Passenger making the booking and will communicate with the Passenger making the booking using the contact details provided, rather than each individual Passenger in the group.
- All Packages are subject to availability at the time of booking. No Contract shall be made until the deposit (or, where appropriate, the full fare) has been paid, whether or not a booking confirmation has been issued, but all money paid to a travel agent shall be treated as having been paid to Cunard. Failure to pay the balance by the due date shall entitle Cunard to cancel the booking and retain the deposit by way of a cancellation charge. Failure to pay any other amount by the due date shall entitle Cunard to cancel the booking and to retain an amount by way of a cancellation charge as set out in clause 38.
- A Passenger shall not have the right to exclusive occupancy of a stateroom with two or more berths unless the single person supplement is paid. If a cancellation results in a Passenger becoming the sole occupant of a stateroom with two or more berths, he/she shall be liable to pay the single person supplement. If a cancellation reduces the number of Passengers originally booked in a stateroom together,

the remaining Passengers shall each be liable to pay any increase in the fare arising as a result of such reduction. In the event that all Passengers who are booked in a stateroom permanently disembark the ship before the end of the Cruise, then the stateroom will revert to Cunard's inventory.

- For Packages including any flights to or from the UK (and if not already confirmed at the time of booking), Cunard will issue an ATOL confirmation invoice giving the details of the flight arrangements (including UK and destination airports) within a reasonable time after such arrangements are known.
- Shore excursions are available for separate purchase prior to travel or on board and are arranged by Cunard with local operators. They do not form part of the Contract and are not performed by Cunard.
- A booking may only be made by a person aged 18 or over. All Passengers who, at the time of departure, will be under 18 years old must be accompanied by a Passenger aged 18 or over who will at all times during the Package be responsible for their welfare, conduct and behaviour. Passengers under 16 years old are not permitted to travel in a stateroom without an accompanying Passenger who is 16 years old or over. Passengers under 16 years old are not permitted to disembark the ship in any port without a Passenger who is accompanying them on the Package in accordance with this clause.
- Children aged 6 months or less at the commencement of the Package will be refused permission to board the ship and Cunard shall have no liability whatsoever for any consequences of such refusal. Certain Packages also have prohibitions on children aged 12 months or less. Passengers should check with Cunard before booking.
- Passengers are responsible for ensuring that they arrive in plenty of time for check in for flights to/from the ship including any interconnecting flights. Passengers are responsible for checking with regard to any delay/ cancellation of flights. Passengers must ensure that they have a valid passport and any other necessary travel documents (such as visas) for their Package and should read the relevant section of the Cunard brochure or website before booking. Cunard is not responsible for obtaining visas for any Passenger; this is the responsibility of the individual Passenger.
- Cunard may incur a fine if the Passenger fails to comply with all relevant visa or documentation requirements for their Package. Cunard will re-charge any such fines to the Passenger.

Amendments to the contract

- In clauses 12, 13 and 14, "another person" means another person who can comply with all conditions applicable to the Package. A Package may be transferred to another person provided that the Passenger consults with Cunard prior to purporting to transfer the Package and Cunard receives in writing the transfer request at least 7 days before the scheduled departure date. Where Cunard agrees to the transfer, both the Passenger and the substituted Passenger shall be jointly and severally liable for the payment of any balance of the fare due and for any reasonable additional fees, charges or other costs arising from the transfer. In the case of Passengers booked under a Cunard Early Saver or Saver fare, all transfers of a Package to another person under this clause will be subject to an administration charge of £20. Passengers booked under the Cunard Fare will not be required to pay an administration charge.
- Any transfer of a Package to another person will be subject to payment of all charges incurred in connection with the transfer (for example hotel amendment charges) and any transfer of a Package including any flights will also be subject to any charges imposed by the airline. Passengers should note that airlines may not allow transfers on scheduled flights and that a flight booking may have to be cancelled and rebooked, in which event the re-booking will always be subject to flight availability and to payment of any charges imposed by the airline which may, in some cases, be the full cost of the ticket.
- Any request for a transfer of a Package to another person which is received by Cunard less than 4 days before the scheduled departure date shall be treated as a cancellation by the Passenger of the Contract and a cancellation charge under clause 38 shall become payable.
- If a Passenger wishes to transfer to another Package, this will generally be treated as a cancellation under clause 38. Cunard, at its discretion, may allow the transfer without treating it as a cancellation if the Cunard holiday to which the transfer is to be made departs within 12 months (within 6 months in the case of transfer from a world voyage or a world voyage sector) of the original and is for a higher fare. Agreement to transfer a Package would also be conditional upon such a request being made more than 90 days before the original scheduled departure date; there being availability; and to payment of both an administration charge of £100 and any expenses (such as airline and/ or hotel charges) incurred by Cunard as a result. Such a transfer would only be allowed on one occasion. The criteria for allowing transfers may be changed by Cunard at any time without notice. Passengers who have booked a Saver shall not be entitled to transfer to another Package and the provisions of this clause 15 shall not apply.
- All transfers to another Package pursuant to clause 15 will be treated as a new booking. Any discount or promotion applicable to the original booking may not apply to the new booking, in which case the Passenger shall be required to pay any difference in fare.
- After a Package has been booked, Cunard will try to accommodate any request for a change, but such changes are always at Cunard's discretion and may be subject to an administration charge of £20. Passengers who have booked a Saver shall not be entitled to make changes to their Package and the provisions of this clause 17 shall not apply.

Fitness to travel and passengers with disabilities and/or reduced mobility

- In order to ensure that Cunard is able to carry Passengers safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities including the ship's flag state, the Passenger making the booking represents that all Passengers in the booking are fit to travel.
- At the time of booking every Passenger is obliged to inform Cunard of any condition, including but not limited to reduced mobility or any Disability of any Passenger travelling in the booking, which may require special arrangements, medical equipment/supplies, care or assistance. This is to ensure that the Passenger can be carried safely and in accordance with all applicable safety requirements and for Cunard to consider whether the Package is generally suitable for the person with reduced mobility or any Disability. If Cunard considers that the Package is not suitable for the person with reduced mobility or any Disability or if the Passenger cannot be carried safely and in accordance with applicable safety requirements then Cunard can refuse to accept a booking or to subsequently embark that Passenger on the grounds of safety. Such a refusal will be based on an assessment of risk by Cunard to take into account the provisions of national law and other applicable legislation and international regulations including the International Management Code for the Safe Operation of Ships and for Pollution Prevention and the International Convention for the Safety of Life at Sea. It is important that the fullest information is provided by the Passenger at the time of booking. If a Passenger's circumstances change between the date of booking the Package and the date of commencement of the Package, which may make the carriage of that Passenger unsafe or which may affect the suitability of the Package for the Passenger, the Passenger is obliged to inform Cunard as soon as possible and to advise Cunard of any requirements for special arrangements, medical equipment/supplies, care or assistance in order for Cunard to make an informed decision as to whether the Passenger can be carried safely and/or to assess the suitability of the Package for the Passenger.
- Cunard reserves the right to require any Passenger to produce medical evidence of fitness to travel on the Package in order to assess whether that Passenger can be carried safely in accordance with applicable international, EU or national law. Where Cunard considers that it is strictly necessary Cunard may require a Passenger with reduced mobility or any Disability to be accompanied by another person who is fit and able to assist them in day to day tasks and capable of providing the assistance required by the Passenger with reduced mobility or any Disability. This requirement will be based entirely on safety grounds and may vary from ship to ship and/or itinerary to itinerary. Examples of Passengers who may fall into this category include Passengers who use wheelchairs or mobility scooters (the term "wheelchair" shall hereinafter be used to refer to wheelchairs and mobility scooters collectively) or who require assistance with personal care. The assessment of whether or not it is strictly necessary for a Passenger to be accompanied will be based on information provided at the time of booking. Passengers are requested to provide as much information as possible to enable a full risk assessment to be made. Passengers may be asked to provide further information to ensure that Cunard has all relevant information.
- In order to ensure that Cunard can provide the necessary assistance and there are no issues relating to the design of the ship or port infrastructure and equipment, including port terminals, which may make it impossible to carry out the embarkation, disembarkation or carriage of the Passenger in a safe or operationally feasible manner, Passengers who may require special treatment or assistance or with reduced mobility or Disabilities (including Passengers who use wheelchairs) must advise Cunard at the time of booking. Passengers who use wheelchairs must furnish their own standard size wheelchairs. Ships' wheelchairs are available for emergency use only. For the safety of the ship and all Passengers on board, all wheelchairs and other aids to mobility must be stored in the Passenger's stateroom when they are not being used and in order to ensure that this is possible, and to so ensure the safety of the ship and all passengers on board, Cunard reserves the right to require that Passengers who use wheelchairs book a specified category of stateroom. Further information is contained in the Cunard brochure and website. Cunard reserves the right to refuse passage to any Passenger who has failed to notify Cunard of their requirement for special treatment or assistance or of reduced mobility or Disabilities (including the requirement to use a wheelchair). The cost for loss or damage to mobility equipment caused by the fault or neglect of Cunard or a shipping incident is subject to Cunard's absolute discretion to either repair or replace the equipment. Except where Cunard agrees otherwise and in writing at the time of booking Passengers are restricted to having on board the ship, two pieces of mobility or other medical equipment with a combined value not exceeding £2,250 per stateroom.
- Cunard and/or the relevant port authorities shall be entitled to administer a Public Health Questionnaire or any other form of health screening at any time prior to boarding or during the Package. All Passengers agree to complete the pre-boarding questionnaire, to comply with any health screening and to supply accurate information regarding any symptoms of illness including but not limited to gastro-intestinal illness, bacterial and/or viral illness and/ or Coronavirus (COVID-19). Any Passenger who is unwell and experiencing a high temperature, a new continuous cough or a loss of, or change in normal sense of taste or smell, either during the 14 days prior to embarkation, or at any time during the cruise must report such symptoms and follow the guidance provided by Cunard, the relevant port

authorities or any other national or international authority. In the interests of health and safety Cunard may deny boarding to any Passenger who has symptoms of any viral or bacterial illness including but not limited to Norovirus or Coronavirus (COVID-19) and/or any Passenger who does not comply with an instruction from a member of the ship's crew or port representative or a representative of any national or international authority designed or intended to prevent or limit the spread of any bacterial or viral infection. Refusal by a Passenger to complete the relevant pre-boarding questionnaire or comply with any health screening measure requested by Cunard, the relevant port authorities or any other national or international authority may in itself result in denied boarding. All cases of denied boarding will be treated as a cancellation attracting 100% cancellation charges in accordance with clause 38.

In the event that a Passenger is diagnosed with any viral and/or bacterial illness whilst on board or if, in the opinion of Cunard and/or the Master and/or a member of ship's medical staff a Passenger displays any symptoms of a viral or bacterial illness (including, but not limited to, Coronavirus (COVID-19)) that Passenger, any accompanying Passenger and any other Passenger who, in the opinion of any of Cunard and/or the Master and/or a member of ship's medical staff has been in close contact with that Passenger may be required to remain in his or her stateroom for reasons of health and safety. In the event that any Passenger refuses to remain in their stateroom during the period recommended by Cunard, the Master or the ship's medical staff or if any Passenger does not comply with any measures in place or any instruction from a member of the ship's crew designed or intended to prevent or limit the spread of any bacterial or viral infection (including any instruction given by a local operator during a shore experience) then that Passenger may for reasons of health and safety be required to remain in the medical centre or be disembarked (or refused permission to embark or disembark) by Cunard without any further liability. In addition, any Passenger who, in the opinion of Cunard and/ or the Master and/or a member of ship's medical staff, demonstrates the symptoms of a viral illness (including but not limited to Coronavirus (COVID-19)) may be disembarked by Cunard without any further liability.

- In order to ensure that Passengers are carried in accordance with applicable safety requirements Passengers are required to notify Cunard at the time of booking:
 - of their specific needs with regard to accommodation, seating or services required and/or whether they need to bring any specific medical equipment on board;
 - of the nature any assistance required from Cunard or any terminal operator;
 - if the Passenger wishes to bring a recognised assistance dog on board the ship. Assistance dogs are subject to national regulations. There is also a limit to the number of dogs which can be carried on board. It is therefore imperative that the requirement is notified at the time of booking.
 - of any other assistance which is required on board.

Please note that the medical facilities on board Cunard's ships are NOT equipped to perform dialysis. The shipboard doctors are not trained to provide dialysis treatments but are able to assist in emergency situations. It is the responsibility of the Passenger to provide all dialysis equipment and treatment. This includes antibiotics. A risk assessment shall be carried out at the time of booking to ensure that the Passenger can be carried safely and in accordance with applicable laws. The electrical supply on board Cunard's ships varies but may not be the same as the standard electrical supply in the UK. Passengers should contact Cunard for specific details. It is important that any Passenger who will be bringing electrical medical equipment on board the ship contacts the manufacturer or supplier to ensure that the equipment is safe to use on board the ship. In relation to medical equipment there are limited storage facilities onboard. It is the responsibility of the Passenger to arrange delivery of all medical equipment to the ship prior to departure. The requirement for Passengers to notify Cunard prior to booking if they need to have medical equipment on board is to ensure that the medical equipment can be carried and/or carried safely. There are restrictions on the number of oxygen cylinders which can be carried in staterooms. The ship's medical centre cannot refill or supply oxygen cylinders. It is the Passenger's responsibility to ensure that all medical equipment is in good working order and for arranging enough equipment and supplies for the duration of the Package. The ship does not carry any replacement equipment and access to shore side care and equipment may be difficult and expensive. Passengers must be able to operate all medical equipment. If there are any particular medical conditions which require supervision then such supervision must be organised by the Passenger and at the Passenger's expense. The ships do not provide one-to-one or other carers for physical or psychiatric or other conditions. The ships do not offer respite services. Passengers must note that not all medical equipment can be carried or used onboard aircraft. Passengers must check with the airline prior to carriage.

Pregnancy

- Cunard recommends that women who are less than 12 weeks pregnant should seek medical advice prior to travel.
- Cunard does not have on board its ships adequate medical facilities for childbirth. Accordingly for reasons of health and safety Cunard regrets that it cannot carry Passengers who will have entered their 24th week of pregnancy or beyond at any point during their Package. All pregnant women are required to produce a doctor's or midwife's letter stating that mother and baby are in good health, fit to travel taking into account the proposed itinerary and that the pregnancy is not high-risk. The letter must also include the estimated date of delivery (EDD) calculated from both the last menstrual period (LMP) and ultrasound (if performed). Cunard cannot accept a booking or subsequently carry a Passenger unless they comply with the requirements of this clause. In the case

of a booking by or on behalf of a pregnant Passenger made before it could reasonably have been known that the Passenger would not be able to join the Package by reason of the Passenger entering their 24th week of pregnancy or beyond at any point in their Package, Cunard will refund in full the fare paid by or on behalf of that Passenger and the fare paid by any accompanying Passenger, provided that the pregnant Passenger notified Cunard as soon as reasonably practicable upon becoming aware that she would not be able to join the Package, but shall otherwise have no liability whatsoever. Cunard expressly reserves the right to refuse passage on board to any Passenger who appears to be in an advanced state of pregnancy and Cunard shall have no liability whatsoever in respect of either such refusal and/or the carriage of any such Passenger.

- Pregnant Passengers are referred to clauses 29 - 31 headed "Medical Treatment" for information regarding the medical facilities on board.
- The ship's doctor is not qualified to deliver babies or to offer pre or post-natal treatment and no responsibility is accepted by Cunard in respect of the inability to provide such services or equipment.

Medical treatment

- The Passenger acknowledges that whilst there is a qualified doctor on board it is the Passenger's obligation and responsibility to seek medical assistance if necessary during the Cruise.
- The ship's doctor is not a specialist and the ship's medical centre is not required to be and is not equipped to the same standards as a land based hospital. The ship's medical centre is not designed for the provision of extensive or continuing treatment. The ship carries medical supplies and equipment in accordance with the requirements of its flag state. Neither Cunard nor the ship's doctor shall be liable to the Passenger as a result of any inability to treat any medical condition as a result. Charges will apply for services and medications dispensed by the ship's medical centre.
- In the event of illness or injury a Passenger may have to be landed ashore for medical treatment. No representations are made regarding the quality of medical treatment at any port of call or at the place at which the Passenger is landed. Medical facilities do vary from port to port and no representations or warranties are made in relation to the standard of medical treatment provided by the various hospitals and/or clinics.

Insurance

- It is a condition of the Contract that every Passenger must have adequate and appropriate insurance. This must include cover for travel, cancellation and curtailment and full and valid medical cover for pre-existing medical conditions worldwide, or as a minimum, in the countries that the Passenger is due to visit and which must remain in force for the entire duration of the Package. The insurance policy(ies) must, as a minimum, include medical and repatriation coverage for not less than £2 million and must include cover for the cost of emergency evacuations from the ship, including but not limited to, evacuations by helicopter. It is the Passenger's responsibility to ensure that adequate and appropriate insurance is in place for the entire duration of the package.
- Wherever possible, Cunard will offer general assistance to any Passenger who suffers illness, personal injury or death during the period of the Package, whether or not arising from an activity forming part of the Package and whether or not the result of fault by any party.
- Any cost or expense which is reasonably incurred by Cunard for or on behalf of the Passenger in respect of any form of medical, dental or similar treatment, hotel, transportation, repatriation or any other expense shall be repayable by the Passenger to Cunard, whether or not such sum is covered by the Passenger's travel insurance. Cunard reserves the right to take any action that it considers appropriate to recover any such cost or expense.

Fares and extras

- Cunard reserves the right to vary particulars and fares shown in the brochure after the date of publication. Fares, discounts, supplements and special offers advertised in the brochure or elsewhere may be withdrawn or changed. Fares may go up or down. Passengers should contact their travel agent for up to date fares and charges before booking, or call us on 0843 374 0000, or visit our website: www.cunard.co.uk
- Cunard reserves the right to vary fares up or down at any time up to 20 days before departure to allow for variations in the fare for your Package due to changes in transportation costs such as fuel and other power sources, scheduled air fares and other airline cost changes which are part of the contract between the airline (and their agents) and Cunard, government action such as changes in VAT or any other government imposed changes and currency changes in relation to an exchange rate variation, the level of taxes or fees on the Travel Services included in the Package imposed by third parties not directly involved in the performance of the Package, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports. In the case of any small variation, an amount equivalent to 2 per cent of the fare for your travel arrangements, which excludes insurance premiums and any amendment charges, will be absorbed for increases but not retained from refunds. For larger variations this 2 per cent will still be absorbed for increases but not retained from refunds. If this means the Passenger has to pay an increase of more than 8 per cent of the fare for the Package, the Passenger may cancel the Contract and receive a full refund of all monies paid, except for any amendment charges or insurance premiums. No consequential costs or expenses or loss of profits will be payable. Cunard will consider an appropriate refund of insurance premiums paid if the Passenger can show that he/she was unable to transfer or re-use the policy. Should the Passenger decide to cancel

Booking conditions

for this reason, the Passenger must exercise his/her right to do so within 14 days from the time Cunard has notified the Passenger of the proposed changes. Failure of the Passenger to notify Cunard of whether the Passenger wishes to accept the proposed changes or terminate the contract may result in Cunard terminating the contract and refunding all payments made by the Passenger. Cunard shall refund all payments due to the Passenger no later than 14 days after the Contract is terminated. Alternatively, the Passenger can accept an offer of an alternative Package if Cunard is able to provide an alternative and transfer payment made in respect of the original Package to the alternative Package. If the cost of the alternative Package is less than the original Package the difference in fare will be refundable. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the fare for your Package due to contractual and other protection in place.

- A payment card will be required to be registered at check in, in order to set up an account for on board purchases, and a cruise card will be issued for this account. An initial pre-authorisation of \$100 will be required at check in and thereafter any on board purchases made by the Passenger using their cruise card (including the Hotel and Dining Service Charge which will be charged at the rate specified in the Cunard brochure and on the Cunard website) which exceed this initial amount are accepted by the Passenger as being in an amount which is both exact and approved for the purposes of a further blocking of funds on the registered payment card. All accounts for on-board services and goods and for shore excursions must be settled in full before the Passenger leaves the ship. In the event that a Passenger fails to settle his on-board account at or before the completion of the Cruise, Cunard reserves the right to charge interest on the outstanding sums until the date of actual payment and shall be entitled to make a reasonable administration charge for the subsequent collection of such sum due in addition to any costs of legal process. Cunard also reserves the right to cancel any future bookings that the Passenger may have and to set off any sums owed to Cunard by the Passenger against any sums due to the Passenger from Cunard, without prejudice to any other remedies Cunard may have under these Conditions or otherwise.

Cancellation by the passenger

- The Passenger has the right to cancel the Contract prior to commencement of the Package without paying any cancellation charge in the event of unavoidable and extraordinary circumstances (as defined in clause 1) significantly affecting the performance of the Contract. In such circumstances the Passenger shall be entitled to a full refund of all monies paid, but shall not be entitled to additional compensation.

The Passenger may cancel the Contract at any time prior to the commencement of the Package via their travel agent or, for Passengers who have booked direct, by calling our Reservations Department, but if the cancellation is not as a result of unavoidable and extraordinary circumstances significantly affecting the performance of the Contract, in that event Cunard shall be entitled to levy a cancellation charge as a percentage of the fare paid in accordance with the below scales.

For the avoidance of doubt, circumstances which prevent the Passenger from travelling on their holiday (rather than circumstances which prevent Cunard from performing the Package) do not give the Passenger the right to a full refund and cancellation charges will apply. Such circumstances may include, but are not limited to, any international, national or local measures in place in either the Passenger's home or area or any country or countries which form part of the itinerary. A requirement that the Passenger may need to self-isolate or enter any form or quarantine on their return home does not entitle the Passenger to cancel the Contract without paying cancellation charges. Advice against travel to any country or countries in the itinerary issued by the Foreign Commonwealth and Development Office (or any other public body) does not entitle the Passenger to cancel the Contract without paying cancellation charges. The Passenger should ensure that their travel insurance provides sufficient cover for such eventualities as required by clause 32 above.

The Cunard Fare and Early Saver:	
Period before departure within which written notice of cancellation is received by Cunard	Cancellation charges (percentage of fare)
From the date of booking until 91 days before departure	Deposit
90 to 57 days	50%
56 to 42 days	60%
41 to 16 days	75%
15 to 6 days	90%
Less than 6 days before departure or failure to embark. For fly-cruises, departure day is the date of the flight departure.	100%
Saver:	
Period before departure within which written notice of cancellation is received by Cunard	Cancellation charges (percentage of fare)
From the date of booking until departure, including failure to embark.	100%

39. It may be possible for the Passenger to re-claim these cancellation charges (less any applicable excess) under the terms of the Passenger's insurance policy. Claims should be submitted to the appropriate insurer. After departure, if the Passenger disembarks whether by reason of sickness or any other reason the Passenger will not be entitled to a refund of a proportion of the Package not used.

Alteration and cancellation by Cunard prior to departure

40. Whilst Cunard will do its best not to cancel or to make any alteration to a Package after a booking has been made such changes are sometimes necessary. Most alterations made by Cunard will not be significant and Cunard has the right to make such alterations without paying the Passenger compensation. Any alterations made by Cunard to their pre and post departure requirements and procedures for reasons of health and safety (such as any alterations required in response to Coronavirus (COVID-19)) are unlikely to constitute significant alterations and such alterations do not give the Passenger the right to compensation or the right to cancel the Package without charge. Cunard, shall nevertheless be entitled at any time prior to departure to cancel the Contract or to change and/or curtail the Package where this reasonably becomes necessary on operational, commercial or other grounds. Cunard will inform the Passenger or their travel agent of any such cancellation or change of Package as quickly as possible (with, where appropriate, written confirmation as soon as reasonably possible thereafter). If Cunard makes a significant alteration to the Package the Passenger will have the choice of either accepting the alteration, accepting an offer of an alternative Package of comparable standard if available (Cunard will refund any fare difference if the alternative is of a lower value), or cancelling the Package and receiving a full refund of all monies paid. The Passenger recognises and agrees that it will not normally be possible for Cunard to offer an appropriate substitute Package which is available at about the same time as and/or with a similar itinerary to that originally booked, but Cunard will do its best to provide a suitable alternative Package of similar duration and value. The Passenger must notify Cunard of his/her decision as soon as reasonably possible and in any event not later than 14 days of being informed of the significant alteration.

41. If the Passenger cancels the Package in the circumstances set out in clause 40 or if Cunard cancels the Package, the Passenger shall also be entitled to compensation as follows (except if the change or cancellation is due to unavoidable and extraordinary circumstances, or, non-payment by the Passenger).

Period of notification given by Cunard	Compensation per full fare paying Passenger
90 to 43 days	5% cruise credit
42 to 29 days	10% cruise credit
28 to 15 days	15% cruise credit
14 to 0 days	20% cruise credit

Cunard may also cancel the Contract and give a full refund of monies paid, without paying any additional compensation, if the number of passengers booked does not meet the minimum number required for the Package to proceed and Cunard notifies the Passenger of the cancellation of the Contract no later than:

20 days before the start of the Package in the case of Packages lasting more than 6 days;

7 days before the start of the Package in the case of Packages lasting between 2 and 6 days;

48 hours before the start of the Package in the case of Packages lasting less than 2 days.

42. The value of any cruise credit will be calculated by reference to the fare actually paid for the cancelled Package and may only be used for other bookings with Cunard. Any such new booking must be made by no later than 31 December of the year after the date of the original Package. Credit vouchers may be redeemed against the fare of the new Package net of any discount available to the Passenger at the time of booking. The compensation set out above does not exclude the Passenger from claiming more if he/she is entitled to do so or from requesting that compensation be provided in a different form. No consequential costs or expenses or loss of profits will be payable.

Alteration and cancellation by Cunard after departure

43. After departure, Cunard does not guarantee that the ship will call at every port on the itinerary or follow every part of the advertised route or schedule or that every part of the Package will be provided. Cunard reserves the absolute right to decide whether or not to omit any such port(s) and/or to call at additional ports and/or to change the advertised route, schedule or Package. If Cunard is unable to provide a significant proportion of the Package, it will make suitable alternative arrangements, at no extra cost to the Passenger, for the continuation of the Package. If the Passenger does not accept them, for good reasons, or, if it is possible to make suitable alternative arrangements Cunard will, where appropriate, provide the Passenger with transport back to the place of departure or to another place to which Cunard and the Passenger have agreed. In both cases Cunard will, where appropriate, compensate the Passenger. Cunard accepts responsibility for providing all the elements of the advertised Package but if it fails to do so, the Passenger must inform Cunard without undue delay if it considers that any of the Travel Services have not been performed in accordance with the Contract. Failure by the Passenger to notify Cunard about any lack of conformity of the Package may be taken into account when determining any fare reduction or

compensation for damages where such notice would have avoided or reduced the damage. Cunard shall remedy any lack of conformity of the Travel Services under the Contract raised by the Passenger unless it is impossible to do so, or will incur disproportionate costs, taking into account the extent of the lack of conformity and the value of the Travel Services affected. Please note that compensation will not be payable if an alteration is not significant or if Cunard is not able to provide a significant proportion of the Package due to unavoidable and extraordinary circumstances.

44. Transit or part transit of straits, other sea areas controlled by vessel traffic schemes, canals, rivers and all other navigable waterways may be subject to delay due to operational circumstances and/or the requirements of the local authorities and Cunard shall have no liability whatsoever in respect of any such delay.

Security, safety and support

45. Passengers are expected at all times to conduct themselves in a proper manner and with due regard to the health, safety, comfort, enjoyment and general well-being of all persons both on board the ship and involved in the provision of any service or facility forming part of the Package or any shore excursion, and the Passenger expressly agrees to this. Cunard will implement measures pre-departure and during the Package to address the risks posed by Coronavirus (COVID-19) and/or any other public health issues. These measures may be implemented at short notice and may change as advice, knowledge and government guidance of the relevant virus or condition changes. Such measures may mean that some of the services and facilities onboard may not be available for part or all of the cruise and Passenger will be required to follow any guidance provided by Cunard, the Master or ship's crew designed or intended to limit or prevent the spread of any infectious disease. Any measures introduced in order to address the risks posed by Coronavirus (COVID-19) or any other public health issue will not be significant changes to the Package. If it appears that a Passenger's conduct, behaviour or health is such as to be a breach of this requirement or the Passenger's behaviour, health or conduct is likely to endanger the Passenger's own health or safety or that of any other Passenger or crew or may make the Passenger likely to be refused permission to go ashore at any port or may make Cunard liable for the costs of any medical treatment and/or maintenance and support and/or repatriation, then Cunard and/or the Master shall have the right according to the particular circumstances to take any one or more of the following measures as may appear to be reasonable and appropriate –

- refuse to embark or to disembark the Passenger at any particular port or other place of call;
- disembark the Passenger;
- transfer the Passenger to another berth;
- confine the Passenger to a particular stateroom or to the ship's medical centre;
- through the ship's doctor and/or his staff, administer any drug, medicine or other substance of a similar nature, or admit and/or confine the Passenger to a hospital or any similar institution at any port as the ship's doctor may consider necessary;
- remove the Passenger from the hotel, if appropriate;
- repatriate the Passenger to the United Kingdom.

46. In the event of Cunard and/or the Master acting in accordance with clause 45 above, neither the Passenger nor (at the sole discretion of Cunard) any other person travelling with the Passenger (whether or not under the same booking) shall be entitled to make a claim against Cunard for any loss or expense incurred as a result of such action, whether for a full or partial refund of the fare or for any other form of compensation or for the cost of returning to the United Kingdom or to any other place or for any other form of loss or expense whatsoever. Where the Passenger is repatriated pursuant to this clause at Cunard's expense, Cunard shall have the right to recover the cost of this.

47. If any Passenger is denied the right to board an aircraft because, in the reasonable opinion of the Captain, the Passenger is unfit to travel or represents a threat to the safety of the aircraft or its passengers or crew or is abusive or disruptive, Cunard will not be liable to complete the Passenger's holiday arrangements and will not be liable to pay any refunds or compensation. If an aircraft is forced to make an unscheduled landing as a result of the conduct of any Passenger, Cunard shall have the right to recover the full cost thereof from the Passenger.

48. For security reasons, it may be necessary at any time to search Passengers and/or their luggage and goods and the Passenger agrees to allow such search upon being so requested by the Master or any other authorised person.

49. The Passenger must not bring on board the ship any goods or articles of an inflammable or dangerous nature, nor any controlled or prohibited substance, nor any animals. To do so shall be a breach of these Conditions and shall render the Passenger strictly liable to Cunard for any injury, loss, damage or expense and the Passenger shall compensate Cunard in full for any loss, damage or expense suffered by Cunard as a result of such breach. The Passenger may also be personally liable to statutory penalties. The Master (or any other officer delegated for the purpose) shall be entitled at all times to enter and search the stateroom and personal luggage (whether or not in the stateroom) of any Passenger whom the Master reasonably believes may be in breach of this clause. Where the Passenger is found to be in breach of this clause, Cunard and/or the Master of the ship shall be entitled to exercise any of the powers conferred by clause 45 and clause 46 shall apply. Without limiting the foregoing, the Passenger shall be liable for any and all losses and fines caused by their actions in regards to illegal dumping or pollution of any kind, including discharge of any item into the ocean and/or waterways.

50. Any crew member or other person authorised by Cunard shall be entitled to enter a Passenger's stateroom to carry

out necessary inspection, maintenance or repair work or for any purpose associated therewith.

Complaints

51. Any problem which arises during a holiday must be raised by the Passenger at the time with a representative of Cunard. If the problem is not resolved to the full satisfaction of the Passenger during the holiday, it is essential that to enable the complaint to be investigated properly it must be notified to Cunard at the earliest opportunity thereafter and in any event no later than 28 days after the Passenger's return from the Package. Failure to report the complaint within this time may adversely affect Cunard's ability to investigate and deal with it and may prejudice any future claim. Complaints relating to EU Regulation 1177/2010 Concerning the Rights of Passengers when Travelling by Sea and Inland Waterways must be made to Cunard in writing within two months of the date on which the service was performed. Within one month, Cunard shall respond to the Passenger that the Passenger's complaint has been substantiated or rejected or is still being considered. However, the time taken to provide the reply shall be no longer than two months from receipt of the complaint.

Liability

52. Subject to paragraphs 52 to 56 Cunard accepts responsibility for death, injury or illness caused by the negligent acts and/or omissions of its Suppliers in respect of the Package, but excluding the Cruise. Cunard limits its liability, where applicable, by the conventions referred to in clauses 55 to 60 inclusive. In any event, Cunard is not responsible for any improper or non-performance of any services forming part of the Package which are wholly attributable to the fault of the Passenger; the unforeseeable or unavoidable act or omission of a third party unconnected with the provision of any services to be provided under the Contract; or unavoidable and extraordinary circumstances.

53. For claims not involving personal injury, death or illness or which are not subject to the conventions referred to in clauses 55 to 60 inclusive, Cunard's liability for improper performance of the Contract shall be limited to a maximum of three times the fare which the Passenger affected paid for the Package (not including insurance premiums and amendment charges) and Cunard shall have no liability for any loss of business or profits, loss of use or any other consequential or indirect loss or damage.

54. All carriage (by land, air and sea) is subject to the terms and conditions of carriage of the actual carrier. These may limit or exclude liability. They are expressly incorporated into the Contract. Copies of these terms and conditions are available on request from Cunard. Cunard will ensure that the Passenger is informed of the identity of the air carrier once it has been finalised and details of likely carriers are contained in the brochure. Cunard does not use any carrier on the EU banned carrier list, available via our website. The liability of Cunard will not exceed that of any carrier.

55. Carriage of Passengers and their luggage by air is governed by various international conventions (hereinafter "the international air conventions"), including the Warsaw Convention 1929 (whether as amended by the Hague Protocol 1955 or the Montreal Protocol 1999 or otherwise) or the Montreal Convention 1999. Flights between the UK and any member state of the European Union are currently governed by EC Regulation 889/2002 which gives legal effect to the Montreal Convention 1999. To the extent that Cunard may be liable as a non-performing air carrier to Passengers in respect of carriage by air, the terms of the international air conventions (including any subsequent amendments and any new convention which may be applicable to a Contract for a fly cruise between Cunard and a Passenger) are expressly incorporated into these Conditions. The international air conventions may permit the carrier to limit its liability for death and personal injury, loss of and damage to luggage and delay. Insofar as Cunard may have any liability to the Passenger in respect of carriage by air, it shall be determined accordingly. Copies of these conventions are available from Cunard on request.

56. International Carriage of Passengers and their luggage by sea, including the Cruise, is governed by EU Regulation 392/2009 on the Liability of Carriers of Passengers by Sea in the Event of Accidents (EU Regulation 392/2009) which may be viewed at https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/2724/annex-b-reg-ec-392-2009.pdf and The Athens Convention 2002 which may be viewed at https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/261628/Misc.6.2013_Prot._2002_Athens_.8760.pdf. Copies are available on request. The Athens Convention 2002 and EU Regulation 392/2009 are expressly incorporated into these Conditions and any liability of Cunard for death or personal injury or for loss of or damage to luggage arising out of international carriage by sea shall be solely brought and determined in accordance with the Athens Convention 2002 and EU Regulation 392/2009 which limit the carrier's liability for death or personal injury or loss of or damage to luggage and make special provision for valuables. The limits of liability are assessed by reference to Special Drawing Rights (SDRs) which fluctuate depending on daily exchange rates. All SDR values in these Conditions are accurate as per 28 October 2020. Up to date figures may be assessed at the following website http://www.imf.org/external/np/fin/data/rms_sdrv.aspx. It is presumed that luggage has been delivered undamaged to the Passenger unless written notice is given to Cunard (as carrier):

a. in the case of apparent damage, before or at the time of disembarkation or redelivery; b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place. Where the Cruise is seagoing but does not call at more than one country (Domestic Carriage) then the provisions of the Athens Convention 1974 may apply. If the domestic carriage is in the UK the Merchant Shipping (Convention

relating to the Carriage of Passengers and their Luggage by Sea) (Amendment) (Order) 2014 (2014 Regulations) may apply. Non seagoing cruises shall be subject to the provisions of the Merchant Shipping Act 1995 and liability for death and or personal injury is limited to 175,000 SDRs per passenger. These provisions will also apply where the ship is being used as a floating hotel. The limits applicable to stateroom luggage pursuant to the Athens Convention 1974 and the 2014 Regulations are 833 SDRs (£909). The figure increases to 2,250 SDRs (£2,452) where EU Regulation 392/2009 and the Athens Convention 2002 apply. Cunard is not liable in respect of the loss and/or damage to any valuables unless these have been deposited with the ship. Using the stateroom safe is not a deposit with the ship. Where deposited with the ship and unless a higher figure is agreed in writing, Cunard's liability pursuant to the Athens Convention 1974 and 2014 Regulations will be limited to 1,200 SDRs (£1,308) or where EU Regulation 392/2009 and/ or the Athens Convention 2002 apply, 3,375 SDRs (£3,678). In the event of death and/or personal injury then the limits applicable under the Athens Convention 1974 and 2014 Regulations are 46,666 SDRs (£50,850) or 300,000 SDRs (£326,895) where the Performing Carrier's principal place of business is in the UK. In accordance with EU Regulation 392/2009 and the Athens Convention 2002 the Passenger has a right to compensation for death or personal injury up to 250,000 SDRs (£272,431) per incident from the carrier in respect of a shipwreck, capsizing, collision or stranding of the ship, explosion or fire in the ship, or defect in the ship ("Shipping Incident") save where the Shipping Incident resulted from an act of war, hostilities, civil war, insurrection or a natural phenomenon of an exceptional, inevitable and irresistible character; or was wholly caused by an act or omission done with the intent to cause the incident by a third party. Compensation for a Shipping Incident can increase by a further 150,000 SDRs to a total figure of 400,000 SDRs (£435,889) per Passenger, per incident unless the carrier proves that the incident which caused the loss occurred without its fault or neglect. In the event of a non-shipping incident the Passenger must prove that the incident which caused the damage was the result of the carrier's fault or neglect. In those circumstances the maximum amount payable will be 400,000 SDRs. In any case involving war or terrorism the maximum payable is 250,000 SDRs per passenger or 340 million SDRs per ship per incident. A summary of EU 392/2009 may be viewed at <http://ec.europa.eu/transport/themes/passengers/maritime/doc/rights-in-case-of-accident.pdf>

57. Any damages payable by Cunard up to EU 392/2009, the Athens Convention 2002 and/or 2014 Regulations limits shall be reduced in proportion to any contributory negligence by the Passenger and by the maximum deductible specified in Article 8 (4) of the Athens Convention 1974.

58. Insofar as Cunard may be liable to a Passenger in respect of claims arising out of carriage by air or carriage by sea, Cunard shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual air carrier (including its own terms and conditions of carriage) and under the Athens Convention, and nothing in these Conditions shall be deemed a surrender thereof. To the extent that any provision in these Conditions is made null and void by the Warsaw Convention, the Montreal Convention or the Athens Convention or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but no further.

59. Insofar as the Cruise may be performed on a ship not owned by Cunard, it is agreed that Cunard shall at all times nevertheless be deemed a ship owner for the purposes of the Convention on Limitation of Liability for Maritime Claims 1976, whether as amended by the Protocol of 1996 or otherwise and as in force in any relevant jurisdiction from time to time, and so entitled to limit liability thereunder.

60. Except for claims arising out of carriage by air (as provided by clause 55), any liability in respect of death and personal injury and loss of and damage to luggage which Cunard may incur to the Passenger during sea carriage, whether under the Contract in accordance with these Conditions or otherwise, shall always be subject to the limits of liability contained in the Athens Convention 2002, EU Regulation 392/2009 or the 2014 Regulations.

61. In respect of any claims for loss of or damage to property including luggage which are not covered by international conventions including the Athens Convention 2002, EU Regulation 392/2009, the 2014 Regulations and/or the Montreal Convention and where liability is not limited by reference to any enactment, terms or conditions then any legal liability that Cunard may have for any such losses will be limited to £500.00 per Passenger. Cunard shall not be liable for lost valuables including jewellery and/ or monies under any circumstances. Passengers must ensure that their personal possessions and valuables are with them at all times.

62. Hotels and shuttle services included in the Package or purchased at any other time are arranged by Cunard with local Suppliers who may themselves engage the services of local operators. Standards of hygiene, accommodation and transport in many countries where excursions take place are often lower than comparable standards in the UK. Cunard will at all times endeavour to appoint reputable and competent local Suppliers. The terms and conditions of the hotels and shuttle services will be applicable and are expressly incorporated into the Contract (or any other contract between Cunard and the Passenger in respect of shuttle services). These may limit or exclude liability of the hotelier or the shuttle services operators. The liability of Cunard will not exceed that of any hotelier and/or shuttle services operator. Local standards of the relevant country will be relevant in assessing performance of the Package services. In the event of a complaint by a Passenger, the Contract (or any other contract between Cunard and the Passenger in respect of shuttle services) will be regarded as having been performed if local standards relating to those services have been satisfied even if the laws of England

and Wales have not been met. Cunard is not responsible for any improper or non-performance of such services which are wholly attributable to the fault of the Passenger; the unforeseeable or unavoidable act or omission of a third party unconnected with the provision of the services to be provided; or unavoidable and extraordinary circumstances.

63. Cunard does not include any shore excursions in the fare. Shore excursions do not form any part of a Package. Shore excursions may be reserved after a Package has been booked from a separate shore excursions brochure or online. Reservations may be made for a specified period prior to the Cruise commencing. Purchases may also be made onboard the ship.

64. Any shore excursions booked will be supplied by local operators. Cunard will at all times endeavour to appoint reputable and competent local operators who apply the local laws and regulations of the relevant country. Shore excursion operators are not Cunard's servants, agents or suppliers. Cunard is not responsible for any acts or omissions which are wholly attributable to the fault of the local operators. Cunard does not operate, perform or otherwise organise and/or audit any shore excursions. All Passengers must ensure that they are fit and healthy to undertake shore excursions. All shore excursions are governed by the terms and conditions in the shore excursions brochure.

65. All employees, agents, contractors and their sub-contractors (including Suppliers as defined in clause 1), as well as all insurers of both Cunard and its Suppliers shall have the benefit of the same rights, defences, immunities and limitations available to Cunard under these Conditions.

Actions, claims and time limits

66. Any action by a Passenger arising out of carriage by air or sea must be commenced within the time limit prescribed by the Warsaw Convention, the Montreal Convention, the Athens Convention 2002, EU regulation 392/2009, or the 2014 Regulations, as applicable.

67. If a court or tribunal applies any law other than English law, Cunard shall (in respect of all exclusions and limitations of liability) be entitled to the maximum protection allowed by that law including statutory protection of limitation as to the amount of damages recoverable.

68. Cunard is a Member of ABTA, membership number V8764. Cunard is obliged to maintain a high standard of service to Passengers by ABTA's Code of Conduct. Cunard can also offer Passengers ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If Cunard can't resolve a complaint, Passengers can go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

Financial protection

69. Cunard provides full financial protection for all Packages. For flight-based Packages this is through Cunard's Air Travel Organiser's Licence number 6294. In the unlikely event of Cunard's insolvency, the CAA will ensure that Passengers booked on flight-based Packages are not stranded abroad and will arrange to refund any money the Passenger has paid to Cunard for an advance booking. For further information visit the ATOL website at www.atol.org.uk. When a Passenger buys an ATOL protected flight or flight inclusive holiday from Cunard they will receive an ATOL Certificate. This lists the flight, accommodation, car hire and/or other services that are financially protected, where the Passenger can get information on what this means for them and who to contact if things go wrong. Cunard or the suppliers identified on the ATOL Certificate will provide the Passenger with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither Cunard or the suppliers are able to do so for reasons of insolvency, an alternative ATOL holder may provide the Passenger with the services it has bought or a suitable alternative (at no extra cost to the Passenger). The Passenger agrees to accept that in those circumstances the alternative ATOL holder will perform those obligations and agrees to pay any money outstanding to be paid by the Passenger under the Contract to that alternative ATOL holder. However, the Passenger also agrees that in some cases it may not be possible to appoint an alternative ATOL holder, in which case the Passenger will be entitled to make a claim under the ATOL scheme (or its credit card issuer where applicable). If Cunard, or the suppliers identified on the ATOL Certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) the Passenger under the ATOL scheme. The Passenger agrees that in return for such a payment or benefit the Passenger assigns absolutely to those Trustees any claims which the Passenger has or may have arising out of or relating to the non-provision of the services, including any claim against Cunard, the Passenger's travel agent (or the Passenger's credit card issuer where applicable). The Passenger also agrees that any such claims may be re-assigned to another body, if that other body has paid sums the Passenger has claimed under the ATOL scheme.

70. Not all Packages offered and sold by Cunard will be protected by the ATOL scheme. All non-fly Packages sold by Cunard in the UK are protected under the ABTA scheme of financial protection. In the unlikely event of Cunard's insolvency, ABTA will ensure that Passengers booked on non-fly Packages are not stranded abroad and will arrange to refund any money paid to Cunard for an advance booking. Cruises sold overseas may be covered by consumer protection schemes in place in the country of sale or by the protection scheme operated by ABTA, and Passengers should contact Cunard for confirmation of what protection may apply to their booking.

72. When you make a booking either directly or through a travel agent, Cunard will collect personal data about you and other Passengers in your group to effect the booking including your names, genders, dates of birth, home addresses, phone, email, details of any medical, care or dietary requirements, specific preferences relating to the booking you have selected, and your payment details. Cunard needs this data to enter into a contract with you. If you provide Cunard with personal data about any other individuals included in a booking, you must have the authority of those individuals to provide their personal data to Cunard for the purposes set out in Clause 71, and will remain accountable for the information provided. After you book a Cruise, you will be invited by email to access Cunard's online service 'My Cunard' where you will need to provide additional personal data about you and other Passengers in your booking group. This additional mandatory personal data including passport, insurance and emergency contact details for you and other Passengers in your booking group is necessary to complete your booking. You may optionally book or purchase on-board products and services, excursions and other activities, which may require you to provide further personal data. Cunard may have to share your personal data with other companies such as spa operators or travel operators in order to provide these to you.

As these requirements are evolving rapidly, please refer to the Cunard website for the latest information on how this personal data will be processed during this pandemic.

74. Enquiries and bookings are processed in the UK, where Cunard's systems may be accessed by Carnival group staff and suppliers from outside of the UK and/or European Union subject to strict security controls. If you make a booking Cunard may pass your personal information on to other relevant suppliers of your travel arrangements such as airlines, hotels and transport companies. Your personal information may also be shared with travel agents, security and credit checking companies, credit and charge card companies. Cunard are required to co-operate with government and law enforcement agencies and the public authorities of any country in your Cruise itinerary, including customs and immigration authorities. Cunard collect and process personal data in the European Union (EU) and worldwide depending upon how you interact with Cunard. Cunard may need to process your personal data worldwide, including on board its ships, depending upon the destinations you travel to, for example if Cunard has to provide personal data to immigration authorities, port agents or excursion operators in destination countries. This may involve sending your personal information between different countries, including countries outside the EU where controls on data protection may not be as strong as the legal requirements in the EU.

75. You have rights over how Cunard uses personal data about you. These rights include withdrawing consent to processing, accessing personal data Cunard holds about you, updating or amending your personal data and deleting applicable personal data about you. If you wish to exercise your information rights or have a concern or a complaint about Cunard's processing of personal data, you may contact Cunard's Data Protection Officer at Carnival House, 100 Harbour Parade, Southampton, SO15 1ST, or email privacy@carnivalukgroup.com. If you are not satisfied with Cunard's processing of personal data or how Cunard has responded to your complaint about the processing of personal data, you have the right to complain to the Information Commissioner's Office (ICO) whose website is <https://ico.org.uk/concerns/>.
